CONFIRMATORY ASSIGNMENT

WHEREAS, **Miroslav Planeta**, whose full post office address is 1589 Watersedge Rd, Mississauga, Ontario, L5J 1A6, Canada, and **Hassan Eslami**, whose full post office address is 1133 Foxglove Pl., Mississauga, Ontario, L5V 2N4, Canada (the "**Inventors**") have made an invention relating to toothed mixing for screw extruders (the "**Invention**") for which United States Patent Application No. 14/918,628 was filed on October 21, 2015 (the "**Application**"), under the title:

TOOTHED MIXING FOR SCREW EXTRUDERS

AND WHEREAS **Hassan Eslami** was, at all material times in respect of the conception and reduction to practice of the **Invention**, employed by **Macro Engineering & Technology Inc.** ("**Macro Engineering**") having an address at 199 Traders Blvd E, Suite 208, Mississauga, Ontario, L4Z 2E5, Canada;

AND WHEREAS at the material times the employment duties of **Hassan Eslami** as an employee of **Macro Engineering** included inventing and, pursuant to that employment, **Macro Engineering** is, prior to the effect of this assignment, the owner of the respective contributions of **Hassan Eslami** to the **Invention**;

AND WHEREAS **Miroslav Planeta** was at all material times in respect of the conception and reduction to practice of the **Invention** employed by **Macro Technology Inc.** ("**Macro Technology**") having an address at 199 Traders Blvd E, Suite 208, Mississauga, Ontario, L4Z 2E5, Canada, and **Miroslav Planeta's** employment duties as an employee of **Macro Technology** included inventing and, pursuant to that employment, **Macro Technology** owns the contributions of **Miroslav Planeta** to the **Invention**;

AND WHEREAS **Macro Engineering** considers it to be desirable that **Macro Technology** be the sole owner of all rights in, to and in respect of the **Invention**;

AND WHEREAS it is the intent of the **Inventors** and of **Macro Engineering** that the effect of this Confirmatory Assignment shall be that that **Macro Technology** is the sole owner of all rights in, to and in respect of the **Invention**;

NOW THEREFORE in consideration of the sum of one Canadian dollar (CAD\$1.00) payable by **Macro Technology** to each of **Macro Engineering**, **Hassan Eslami**, and **Miroslav Planeta**, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged:

(1) **Hassan Eslami** hereby confirms that **Macro Engineering** was, prior to the effect of this assignment, the owner of all rights in, to and in respect of the **Invention** and, to the extent that **Hassan Eslami** has retained any rights, whether by operation of law or otherwise, **Hassan Eslami** does hereby sell, assign and transfer to the said **Macro Technology**, the whole right, title and interest for the United States of America, Canada and all other countries and all other places that are not countries, in, to and in respect of the **Invention** and in, to and in respect of all applications and all Letters Patent that may be obtained therefor in the United States of America, Canada, all other countries and all other places that are not countries, along with any and all divisional, renewal, substitute, continuation, reissue, re-examination, Patent Cooperation Treaty and Convention applications and any Letters Patent to issue therefrom, together with every priority right that is or may be predicated upon or arise from the **Invention**, the applications and the Letters Patent.

(2) **Miroslav Planeta** hereby confirms that **Macro Technology** is the owner of, and, to the extent that **Miroslav Planeta** has retained any rights, whether by operation of law or otherwise, **Miroslav Planeta** does hereby sell, assign and transfer to the said **Macro Technology**, the whole right, title and interest for the United States of America, Canada and all other countries and all other places that are not countries, in, to and in respect of the **Invention** and in, to and in respect of all applications and all Letters Patent that may be obtained therefor in the United States of America, Canada, all other countries and all other places that are not countries, along with any and all divisional, renewal, substitute, continuation, reissue, re-examination, Patent Cooperation Treaty and Convention applications and any Letters Patent to issue therefrom, together with every priority right that is or may be predicated upon or arise from the **Invention**, the applications and the Letters Patent.

(3) **Macro Engineering** does hereby sell, assign and transfer to the said **Macro Technology** its whole right, title and interest for the United States of America, Canada and all other countries and all other places that are not countries, in, to and in respect of the **Invention** and in, to and in respect of all applications and all Letters Patent that may be obtained therefor in the United States of America, Canada, all other countries and all other places that are not countries, along with any and all divisional, renewal, substitute, continuation, reissue, re-examination, Patent Cooperation Treaty and Convention applications and any Letters Patent to issue therefrom, together with every priority right that is or may be predicated upon or arise from the **Invention**, the applications and the Letters Patent.

AND, **Macro Engineering**, **Hassan Eslami** and **Miroslav Planeta** hereby authorize **Macro Technology** to file patent applications (including the **Application**) in respect of the **Invention** in any countries and in any places that are not countries, and request that the United States Commissioner of

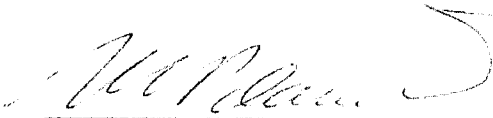

Patents and Trademarks, the Canadian Commissioner of Patents and all other patent authorities issue the Letters Patent to **Macro Technology**, the assignee of the entire right, title and interest in and to the **Invention** for its sole use and benefit; and for the use and benefit of its successors and assigns, to the full end of the term for which any Letters Patent in respect of the **Invention** may be granted, as fully and entirely as the same would have been held by **Macro Engineering, Hassan Eslami** and/or **Miroslav Planeta** had this assignment and sale not been made.

AND, **Macro Engineering, Hassan Eslami** and **Miroslav Planeta** hereby bind themselves, their legal representatives and assigns to do, upon **Macro Technology's** request, but without additional consideration, all acts reasonably serving to assure that the **Invention**, the said patent applications and the said Letters Patent shall be held and enjoyed by **Macro Technology** as fully and entirely as the same could have been held and enjoyed by **Macro Engineering, Hassan Eslami** and/or **Miroslav Planeta**, their legal representatives and assigns if this assignment had not been made; and particularly to execute and deliver to **Macro Technology** all lawful application documents including petitions, specifications and oaths, and all assignments, disclaimers and lawful affidavits in form and substance as may be requested by **Macro Technology**; to communicate to **Macro Technology** all facts known to **Macro Engineering, Hassan Eslami** and/or **Miroslav Planeta** relating to said inventions and discoveries or the history thereof; and to furnish **Macro Technology** with any and all documents, photographs, models, samples and other physical exhibits in their control or in the facts or their conceptions, disclosures, and reduction to practice of the **Invention**.

This agreement shall be governed by the laws of the Province of Ontario, including the federal laws of Canada applicable therein, and the parties each hereby irrevocably attorn to the exclusive jurisdiction of the Courts of the Province of Ontario, including the Federal Court of Canada to the extent the same has jurisdiction in any matter relating to this agreement, provided however that the courts of any place in which a patent application for the **Invention** is filed shall retain their jurisdiction in respect of any such patent application and any patent to issue therefrom.
