ASSIGNMENT

WHEREAS, I, **Thomas M. ISAACSON**, a citizen of the United States of America, residing at 850 Lindy Lane, Huntingtown, Maryland 20639; hereinafter called the "Assignor," have made the invention described in the United States patent application entitled "**SYSTEM AND METHOD FOR PROVIDING A SINGLE INPUT FIELD HAVING MULTIPLE PROCESSING POSSIBILITIES**", Attorney Docket No. 088-0107(1)-CIP, for a full description of which reference is here made to an application for Letters Patent of the United States Serial No.: 14/672,876, filed on March 30, 2015; and

WHEREAS, **Monticello Enterprises LLC**, a limited liability company having a place of business located at 850 Lindy Lane, Huntingtown, Maryland 20639, hereinafter called the "Assignee," desires to acquire the entire right, title and interest for the United States of America and elsewhere throughout the world in and to said invention and the patent application identified above, including any and all divisions and continuations thereof and any and all Letters Patent which may be granted thereon, including any and all renewals, reissues and prolongations thereof.

NOW, THEREFORE in consideration of the sum of One Dollar (\$1.00) and other valuable and legally sufficient consideration, the receipt of which by the Assignor from the Assignee is hereby acknowledged, the Assignor has sold, assigned and transferred, and by these presents does sell, assign and transfer to the Assignee, the entire right, title and interest for the United States in and to the invention and the patent application identified above, as well as all provisional, non-provisional, and/or any other priority applications from which Serial No.: 14/672,876 claims priority, and any patents that may issue for said invention in the United States; together with the entire right, title and interest in and to said invention and all patent applications and patents therefore in all countries foreign to the United States, including the full right to claim for any such application all benefits and priority rights under any applicable convention; together with the entire right, title and interest in and to all continuations, divisions, renewals and extensions of any of the patent applications and patents defined above; to have and to hold for the sole and exclusive use and benefit of the Assignee, its successors and assigns, to the full end of the term and terms for all such patents.

AND said Assignor hereby covenant and agree, for both the Assignor and the Assignor's legal representatives, that the Assignor will assist the Assignee in the prosecution of the patent application identified above; in the making and prosecution of any other patent applications that the Assignee may elect to make covering the invention identified above; in vesting in the Assignee like exclusive title in and to all such other patent applications and patents; and in the prosecution of any interference which may arise involving said invention, or any such patent application or patent; and that the Assignor will execute and deliver to the Assignee to carry out the terms of this Assignment. Assignor authorizes attorney or agent to fill in the U.S. Application Serial No. above, if required.

AND said Assignor authorize and request the Commissioner of Patents to issue Letters Patent on said application, and on any all divisions and continuations thereof, to said Assignee, its assigns and legal representatives, in accordance with the terms of this Assignment.
