ASSIGNMENT

WHEREAS I, Katherine E. Lewis (hereinafter referred to as Assignor) have made an invention entitled:

COMBINATION THERAPY FOR CANCER

for which I executed United States Application No. 14/925,534 on October 28, 2015, and International Application No. PCT/US2015/057781 on October 28, 2015, and Taiwanese Application No. 104135474 on October 28, 2015; and

WHEREAS, Bristol-Myers Squibb Company, a corporation having a place of business at Route 206 and Province Line Road, Princeton, NJ 08543, (hereinafter referred to as Assignee), is desirous of securing the entire right, title, and interest in and to this invention in all countries throughout the world, and to any applications filed in any worldwide jurisdiction claiming the benefit of priority of said patent applications as well as any Letters Patent to be issued claiming the benefit of priority of said applications;

NOW THEREFORE, be it known that, for good and valuable consideration the receipt of which from Assignee is hereby acknowledged, I, as Assignor, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, my entire right, title, and interest in and to this invention, including US application No. 14/925,534, and International Application No. PCT/US2015/057781, and Taiwanese Application No. 104135474, including all rights to claim the benefit of priority in any worldwide patent jurisdiction to US application No. 14/925,534, and International Application No. PCT/US2015/057781, and Taiwanese Application No. 104135474, and including any application claiming the benefit of priority to Application No. 14/925,534 and PCT/US2015/057781 and 104135474 and any Letters Patent granted thereon including any renewals, extensions, or reissues of such Letters Patent. I hereby authorize and request any official of any jurisdiction whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, I HEREBY covenant that I have the full right to convey the interest assigned by this Assignment, and I have not executed and will not execute any agreement in conflict with this Assignment;

AND, I HEREBY further covenant and agree that I will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to me respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors or assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.

IN TESTIMONY WHEREOF, I have hereunto set my hand.

Signed this 3rd day of December, 2015, by Katherine E. Lewis
