**ASSIGNMENT**

This Assignment applies to the following applications/patents (in case of any discrepancy with the data below, the application number controls):

App. #	Pat.#	Filing Date	Title
14/449,613	n/a	08/01/2014	Game Sequences Initiated by Scanning of QR Codes
13/666,138	8,827,160	11/01/2012	Game Sequences Initiated by Scanning of QR Codes

Whereas, Pascal Ventures, LLC (hereinafter referred to as "ASSIGNEE") a Nevada Limited Liability Company, is desirous of acquiring the entire right, title, and interest in and to said invention and in any and to any Letters Patent that may be granted therefore in the United States and its territorial possessions and in any and all foreign countries.

Now, therefore, in consideration of the sum of one dollar, and for other good and valuable consideration, I, Andrew Pascal and David Pascal ("ASSIGNOR") by these presents do sell, assign, and transfer unto said ASSIGNEE, the full and exclusive right to the said inventions, patents, and applications in the United States and its territorial possessions and in all foreign countries (including the right to claim priority under the terms of the International Convention and other relevant International Treaties and Arrangements from the aforesaid application), and the entire right, title and interest in the above identified applications/patents in the United States and its territorial possessions and in any and all foreign countries. This Assignment also includes any and all divisionals, reissues, continuations, substitutions, and renewals of the above identified applications/patents.

I hereby authorize and request the Patent Office Officials in the United States and its territorial possessions and any and all foreign countries to issue any and all of said Letters Patent, when granted, to said ASSIGNEE, as the assignee of my entire right, title and interest in and to the same, for the sole use and behoof of said ASSIGNEE, its (his) successor and assigns, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by me had this Assignment and sale not been made.

Further, I agree that I will communicate to said ASSIGNEE or its (his) representatives any facts known to me respective said invention, and testify in any legal processing, sign all lawful papers, execute all divisional, continuation, substitute, renewal and reissue applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to said ASSIGNEE, make all rightful oaths, and generally do everything possible to aid said ASSIGNEE, its (his) successors and assigns, to obtain and enforce proper protection for said invention in the United States and its territorial possessions and in any and all foreign countries.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 USC 1001 by fine or imprisonment of not more than five (5) years, or both.
