ASSIGNMENT

WHEREAS, I, **Daniel D'Amico**, a citizen of the United States residing at 4 Tommy's Lane, South Salem, NY 10590 ("Assignor"), have invented certain new and useful inventions for "**URINAL SCREEN**", for which U.S. Patent Application No. 29/553,957 was filed on February 5, 2016 (I hereby authorize and request the Assignee and its attorney (Alston & Bird LLP) to insert above the application number and filing date of said application when known) (Docket No. 30549); and

WHEREAS, **Scent2Market, Inc.**, a corporation of the State of New York having a place of business at 200 Corporate Blvd., Yonkers, NY 10701 ("Assignee"), desires acquiring or has acquired Assignor's interest in the above-identified invention, the above-identified patent application, and any related patent applications and patents;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor by these presents does hereby sell, assign, and transfer, or by virtue of an employment agreement or other applicable agreements has sold, assigned, and transferred, unto Assignee, its successors, legal representatives, and assigns, Assignor's entire right, title, and interest in and to the above-identified invention, the above-identified patent application, any U.S. or foreign patent applications related to the above-identified invention, any U.S. or foreign patent applications claiming priority to any of the above-referenced patent applications, including any division, continuation, continuation-in-part, reexamination, reissue, extension, substitution, or renewal of any of the above-referenced patent applications, any right to claim priority arising from or required for any of the above-referenced patent applications under any applicable convention, treaty, statute, or regulation, any other right, privilege, or form of protection related to the above-identified invention or any of the above-referenced patent applications, and any U.S. or foreign patent granted from any of the above-referenced patent applications, to the full end of the term of the patent, to be held and enjoyed by Assignee, its successors, legal representatives, and assigns as fully and entirely as it would have been held and enjoyed by Assignor;

AND, Assignor hereby authorizes Assignee to file any of the above-referenced patent applications in the name of Assignee or its designee, and Assignor authorizes and requests the patent office of any country to issue any patent granted from any of the above-referenced patent applications in the name of Assignee or its designee, and Assignor further authorizes Assignee to insert the serial number and filing date of the above-identified patent application into this Assignment if unknown upon execution of this Assignment; and

AND, Assignor hereby warrants and covenants that Assignor has not and will not execute any assignment or other instrument in conflict with this Assignment;

AND, Assignor hereby covenants and agrees to do everything possible to aid Assignee, its successors, legal representatives, and assigns, to obtain, maintain, and enforce protection in the U.S. and foreign countries for the above-referenced invention, patent applications, and patents, including signing lawful papers, executing patent applications, making assignments, rightful oaths, and declarations, and testifying in judicial or administrative proceedings.
