G L O B A L G E N E R A L A S S I G N M E N T

WHEREAS University of Leeds, located at 3 Cavendish Road, Leeds LS2 9JT, United Kingdom (herein "University of Leeds") declares that it is a joint owner of certain invention(s), as set forth in a patent application (including industrial designs and utility models), whether claimed or unclaimed, entitled Coated Microcapsules filed in the name(s) of James Paul Hitchcock, Elaine Alice Marie Baxter, Simon Richard Biggs, Olivier Jean Cayre, Zoë (NMN) Dyter, Lynette Anne Makins Holland, Madhuri Jayant Khanolkar, Raul (NMN) Rodrigo Gomez, Alison Louise Tasker and David William York, Attorney's Docket No. 13632M and filed in the United States Patent Office as Number 14/971,645, on December 16, 2015. (University of Leeds grants the hereinafter named assignee and/or any person authorized thereby, the power to insert the Serial Number and filing date of said application in this document when ascertained.)

For valuable consideration, the receipt and sufficiency of which are hereby acknowledged, University of Leeds assigns to The Procter & Gamble Company, its legal representatives, successors and assigns, all right, title, and interest owned by University of Leeds, in the United States and throughout the world, in, to and under said invention(s) and all patents, patent applications, patent rights, and inventor's certificates thereof, therefore, and therein, including without limitation said application, all divisions and continuations thereof, all patents which may be granted thereon, all reissues and extensions thereof, all patents which may be granted for said invention(s) by states or nations other than the United States, or by other authority, entity, or organization, and all applications therefore (including the right to claim priority of the filing date of said application in the United States and/or under international conventions), as fully and completely as the same would have been held by University of Leeds had this assignment not been made. The entire right, title and interest shall vest irrevocably in The Procter & Gamble Company. University of Leeds further agrees upon request, without additional compensation, but at no expense to University of Leeds, to assist The Procter & Gamble Company in obtaining signatures for any applications or any other legal documents as may be necessary or desirable to vest the enjoyment of the rights assigned to The Procter & Gamble Company, its legal representatives, successors and assigns, or as The Procter & Gamble Company may direct.

University of Leeds requests and authorizes the Commissioner of Patents and Trademarks and/or appropriately empowered officials of foreign countries to issue any and all Patent(s) and/or letters patent(s) which may be granted for said invention(s) herein assigned and as set forth in U. S. Application Serial Number 14/971,645 to The Procter & Gamble Company, its legal representatives, successors or assigns, as the sole owner of the entire right, title, and interest in said Patent(s).

This GLOBAL GENERAL ASSIGNMENT is effective as of the earlier of 1) the date of execution shown below, or 2) the filing date of the first-filed of said patent application(s).
