ASSIGNMENT

This Assignment made by us, **Nate B. Justiss**, being a resident of the United States of America and having a correspondence address of 41 Gadsden Street Apt B, Charleston, South Carolina, 29401, United States of America; and **Lindsay K. Windham**, being a resident of the United States of America and having a correspondence address of 41 Gadsden Street Apt A, Charleston, South Carolina, 29401, United States of America; hereinafter referred to as assignors;

WITNESSETH: That,

WHEREAS, we are the original joint designers/inventors of certain new and useful improvements in a **REPOSITIONABLE STAND FOR PORTABLE ELECTRONIC DEVICE** as described in U.S. Design Patent Application No. 29/553,696 filed on February 3, 2016; and

WHEREAS, **Distil Union, LLC**, a limited liability company having a principal place of business at 525 King Street, Suite C, Charleston, South Carolina, 29403, United States of America, hereinafter referred to as Assignee, is desirous of acquiring the entire right, title and interest in and to the design as disclosed in the above-referenced application, and any future domestic, international, and foreign applications for design patent and design registration based on and claiming priority to the above-referenced design patent application, and any and all Letters Patent and design registrations which shall be granted therefor;

NOW, THEREFORE, To All Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we, the said assignors, have sold, assigned, transferred and set over unto the Assignee, its successors and assigns, the entire right, title and interest in and to the invention, the ornamental design, and the above-referenced design patent application, and in and to any and all domestic,

international, and foreign patent and design applications based on and claiming priority to the above-mentioned application, and in and to any and all Letters Patent and design registrations of the United States and of foreign countries which may hereafter be granted therefor, and in any and to any and all continuations, continuations-in-part, substitutions, divisions or reissues of said Letters Patent and design registrations, the same to be held and enjoyed by the Assignee, for its interest, and for its own use and behalf, and the use and behalf of its successors and assigns, to the full end of the term for which said Letters Patent and design registrations may be granted as fully and entirely as the same would have been held and enjoyed by us had this assignment and sale not been made, and we hereby authorize and empower the Assignee, its successors, assigns or nominees to file applications for any Letters Patent, design registration, and any other form of protection on said invention and ornamental design in its own name or in the name of its successor, assignee, or nominee, in any and all countries where it may desire to file such applications and where said applications may be filed by another than the inventor;

And for the consideration aforesaid, we hereby further covenant and agree to and with the Assignee, its successors and assigns, that at the time of the execution and delivery of these presents, that we are the joint and lawful owners of the entire right, title and interest in and to the invention, the ornamental design, the applications, design registrations, and Letters Patent above-mentioned and that the same are unencumbered, and that we have good right and lawful authority to sell and convey the same in the manner herein set forth;

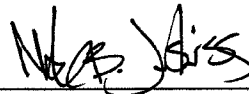

And for the consideration aforesaid, we hereby covenant and agree to and with the Assignee, its successors and assigns, that we will, whenever its counsel or the counsel of its successors and assigns, learned in the law, shall advise that an amendment, division, continuation, continuation-in-part, or substitution of, or any other proceeding in connection

with said application(s), including interference proceedings, is lawful and desirable, sign all papers and drawings, take all rightful oaths, and do all acts necessary or required to be done for the procurement of valid Letters Patent for said invention and of design registrations for said ornamental design, or for the reissue of the same without charge to the Assignee, its successors or assigns, but at its or their expense, and we hereby covenant and agree to sign all papers and drawings, take all rightful oaths, and do all acts necessary or required to be done for procurement of Letters Patent, design registrations, or other form of protection, for said invention and ornamental design in countries foreign to the United States, and for further investing or confirming the right and title therein to the Assignee, its successors, assignee, or nominee, without charge to the Assignee, its successor, assignee or nominee, but at its or their own expense;

We hereby request the Commissioner for Patents and other applicable patent authorities to issue the design patents and design registrations in accordance with this instrument;

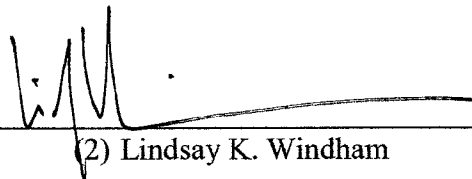

IN WITNESS WHEREOF, we have each hereunto set our hand and seal.
