confirm our obligation to and hereby sell, assign and convey, unto Assignee, its successors and  
assigns, our entire right, title and interest -

(1) in and to inventions described in a patent application titled "SYSTEM  
ARCHITECTURE FOR OFFICE PRODUCTIVITY STRUCTURE COMMUNICATIONS" for  
which we filed United States Patent Application No. 14/982,758, (Atty. File No. 208658-0671-  
US01) (hereinafter the "U.S. utility patent application") which application claims the benefit of  
United States Provisional Patent Application No. 62/097,439, filed December 29, 2014  
(hereinafter the "first U.S. provisional patent application") (Atty. File No. 208658-0029-US00)  
and claims the benefit of United States Provisional Patent Application No. 62/174,333, filed  
June 11, 2015 (hereinafter the "second U.S. provisional patent application") (Atty. File No.  
208658-0671-US00);

(2) in and to the U.S. utility patent application, the first U.S. provisional patent application, and the second U.S. provisional patent application, in and to all other patent applications (including divisional, continuation, continuation-in-part, 35 U.S.C. §111(b) provisional, 35 U.S.C. §111(a), and reissue applications) based upon said inventions, and in and to the patent or patents to be granted thereon, to the full end of the term or terms for which said patent or patents may be granted;

(3) in and to all patent applications on said invention now or hereafter filed in countries foreign to the United States of America, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted; and

(4) under the International Convention in respect to the U.S. utility patent application, the first U.S. provisional patent application, and the second U.S. provisional patent application, and agree that any patent applications of any foreign countries which may be filed shall be filed in the name of our Assignee with a claim to priority based on the U.S. utility patent application, the first U.S. provisional patent application, and the second U.S. provisional patent application.

We hereby authorize the assignee or attorney of record to insert in the appropriate place in this document the application number of our application after execution of this Assignment. We hereby agree that we will, upon demand of Assignee, its successors or assigns, and without further consideration to us, execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by us.

The Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue said patent or patents to Assignee.
