Schedule 6B

Form of Patent Assignment

ASSIGNMENT OF PATENT RIGHTS

This ASSIGNMENT OF PATENT RIGHTS (this "Assignment"), dated 10/24, 2013 (the "Effective Date"), is entered into by ENZON PHARMACEUTICALS, INC., a Delaware corporation ("Assignor"), for the benefit of SANTARIS PHARMA A/S, a corporation organized under the laws of Denmark (the "Assignee").

WHEREAS, Assignor agreed to assign, and the Assignee agreed to acquire, all of Assignor's right, title and interest, as of the Effective Date, in, to and under the issued patents and patent applications set forth on Schedule A.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents does hereby sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, all of Assignor's right, title and interest, as of the Effective Date, in, to and under the issued patents set forth on Schedule A and any reissues, reexaminations, and extensions thereof, and the patent applications set forth on Schedule A and all patents of the United States which may be granted thereon, and all divisions, renewals, continuations, and substitute applications thereof, and all patents worldwide that may be granted thereon, and all reissues, reexaminations, and extensions thereof, together with the right to file such applications and the right to claim for the same the priority rights derived from such patent application under the patent laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable, each of the foregoing including, to the extent applicable, the right to seek damages and/or injunctive relief in the event of infringement of any such issued patent, with the right to sue for and receive the same for Assignee's own account and use, and, to the extent set forth above, for the use and on behalf of its successors and assigns.

ASSIGNOR HEREBY authorizes and requests the Commissioner of Patents and Trademarks of the United States, and any official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to Assignee, its successors, legal representatives and assigns, in accordance with the terms of this Assignment, and hereby grants the attorney of record the power to insert on this Assignment any further identification of the issued patents and the patent applications set forth on Schedule A that is necessary under the rules of the United States Patent and Trademark Office, and the patent office of any country or countries foreign to the United States, for recordation of this Assignment, and agrees, without further consideration, at Assignee's expense, to execute and deliver such other documents that Assignee, its successors and/or assigns may reasonably request that are necessary under the rules of the United States Patent and Trademark Office, and the patent office of any country or countries foreign to the United States, for recordation of this Assignment; provided that Assignee
