PATENT

**ASSIGNMENT**

In consideration of Ten Dollars (\$10.00), and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we, the undersigned, **BEATRICE WITZGALL**, One Little West 12<sup>th</sup> Street, New York, NY 10014;

**Hereby** sell, assign and transfer to **LUMIFI, INC.**, One Little West 12<sup>th</sup> Street, New York, NY 10014 (“Assignee”) its successors and assigns, the entire right, title, dominion and interest in and to any and all inventions that are disclosed and claimed, and any and all inventions that are disclosed but not claimed, in the patent application that is entitled

**Automated and Pre-Configured Set Up of Lighting Scenes**

PCT Patent Application Serial No. PCT/US2015/042640, filed July 29, 2015

[The undersigned authorize their attorneys of record to insert the serial number when it becomes known.]

as well as the provisional patent application to which it claims priority:

U.S. Provisional Patent Application Serial No. 62/030,251, filed July 29, 2014

and in and to any and all continuation, continuation-in-part, divisional, substitute, reexamination, renewal, reissue and national stage applications of said patent application and all other applications for a patent or other related property rights directed to inventions disclosed therein;

**Authorize** and request the Director of Patents of the United States of America and the corresponding authorized person or agency in any other jurisdiction in which said applications have been or will be filed to issue to the Assignee, its successors, assigns and legal representatives, in accordance with this assignment, any and all patents on any inventions disclosed in the aforementioned application(s);

**Agree** that the Assignee may apply for and receive foreign patents or rights of any other kind for inventions described in the above-referenced application(s) and may claim, in applications for foreign patents or other rights, the priority of the aforesaid patent

application(s) under the provisions of the International Convention of 1883 and later modifications thereof, under the Patent Cooperation Treaty, under the European Patent Convention or under any other available international agreement;

**Represent** to the Assignee, its successors, assigns and legal representatives that we have not and shall not execute any writing or do any act whatsoever that conflicts with this Assignment and that, when requested, without charge to, but at the expense of, Assignee, its successors, assigns and legal representatives, we will carry out in good faith the intent and purpose of this Assignment, and the undersigned or the undersigned's executors or administrators will, for the United States and all foreign countries execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications or other documents on any and all said inventions; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to the Assignee, its successor, assigns and representatives, all facts known and documents available to the undersigned relating to said inventions and the history thereof; testify in all legal proceedings; and generally do everything possible that the Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said inventions and for vesting title to said inventions and all applications for patents or related foreign rights and all patents on said inventions, in the Assignee, its successors, assigns and legal representatives; and

**Covenant** that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that the full right to convey the same as herein expressed is possessed by the undersigned.
