ASSIGNMENT

WHEREAS, Technifex, Inc., a California corporation having a place of business at 25261 Rye Canyon Road, Valencia, California 91355 is the owner of an interest in and to an application for Letters Patent of the United States, said application being entitled "Apparatus for Producing a Fire Special Effect", having a filing date of June 5, 2006, and having been accorded application no. 11/422,266.

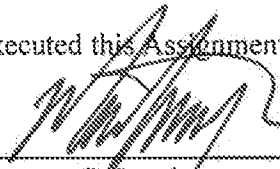

WHEREAS, Technifex Products, LLC, a California limited liability company having a place of business at 25261 Rye Canyon Road, Valencia, California 91355 is desirous of acquiring said interest of Technifex, Inc.

NOW, THEREFORE, *nunc pro tunc* be it known that for certain good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, Technifex, Inc. does sell, assign and transfer to Technifex Products, LLC, its successors, legal representatives and assigns, effective July 19, 2006, the aforesaid application for the territory of the United States of America and all continuation, divisional, continuation-in-part and reissue applications, all patent applications in foreign countries, all applications pursuant to the Patent Cooperation Treaty and all applications for extension filed or to be filed for the invention, and all Letters Patent (including U.S. Pat. No. 7,762,897, Canadian Pat. No. 2,590,828, and the right to sue for any infringement occurring prior to the date of this document and to recover damages for such infringement), Invention Registrations, Utility Models, Extensions or Reissues, and the right to claim priority and other patent rights, obtained for the invention in the United States or any other country; Technifex, Inc. also assigns any right, title or interest in and to the said invention which has not already been transferred to Technifex Products, LLC; Technifex, Inc. warrants that no assignment has been made of the invention, application or patent therefor to a party other than Technifex Products, LLC, and Technifex, Inc. is under no obligation to make any assignment of the invention, application, or patent therefor to any other party; and Technifex, Inc. further agrees to cooperate with Technifex Products, Inc. in the obtaining and sustaining of any and all such Letters Patent and in confirming Technifex Products, LLC's exclusive ownership of the invention, but at the expense of Technifex Products, LLC.

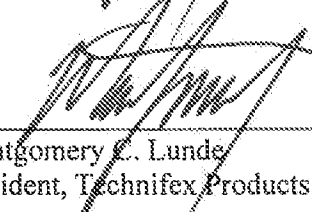

The Commissioner for Patents is hereby authorized and requested to issue the Letters Patent solely in accordance with the terms of this Assignment, to Technifex Products, LLC, its successors, legal representatives and assigns, as the assignee of the entire right, title and interest therein.

IN WITNESS WHEREOF, each party hereto has executed this Assignment as of the date indicated hereunder.
