and in the inventions or improvements disclosed in the patents identified above, and in any reissues, reexamined claims, continuations, continuations-in-part, divisions, or extensions of the patents identified above, and in any other United States, PCT, foreign or international patent applications which may be filed or published respecting said inventions or improvements. Assignor further assigns to Assignee any priority rights therein.

Assignor still further assigns to Assignee the right to sue infringers for damages for past infringement of the patents identified above occurring up to the date of this transaction, with the right to sue for and collect the same for the use and enjoyment of Assignee, its successors and assigns.

For said consideration Assignor hereby agrees, upon the request and at the expense of Assignee, its successors and assigns, to execute any necessary oath, affidavit, declaration, or other paper relating thereto, and to execute any and all applications and other documents for Letters Patent in the United States and foreign countries and international patent offices and receiving offices, directly or according to the provisions of the Patent Cooperation Treaty, European Patent Convention, and all other applicable treaties or laws, on said invention or improvements that Assignee, its successors or assigns may deem necessary or expedient. Also for the said consideration, Assignor authorizes Assignee to apply for patents for said invention or improvements in Assignee's own name in such countries where such procedure is proper. Assignor further agrees, upon the request of Assignee, its successors and assigns, to cooperate to the best of the ability of Assignor with Assignee, its

successors and assigns, in any proceedings or transactions involving such applications or patents. Such proceedings include, without limitation, the preparation and execution of preliminary statements, giving and producing evidence, and performing any and all other acts necessary to obtain, maintain, or enforce the patent applications, publications, and patents identified above and said Letters Patent, both United States and foreign, and vest all rights therein hereby conveyed in Assignee, its successors and assigns. Assignor agrees that the patent applications, publications, and patents identified above and said Letters Patent will be held and enjoyed by Assignee, its successors and assigns, to the full end of the term for which said patent applications, publications, and patents identified above and said Letters Patent have been or will be granted, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment had not been made.
