### **ASSIGNMENT**

WHEREAS, Visicon Inspection Technologies LLC is the current assignee of United States Patent No. 7,619,646, entitled SYSTEM AND METHOD TO ILLUMINATE AND IMAGE THE INSIDE DIAMETER OF A STENT and filed on March 6, 2007; and

WHEREAS, Visicon Technologies, Inc., organized under the laws of the Delaware, having its principal place of business at 871 Latour Court, Napa, California 94558, is desirous of obtaining the entire right, title, and interest in, to and under said improvements and said application and be the Applicant thereof;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Visicon Inspection Technologies LLC has sold, assigned, transferred and set over, and by these presents does hereby sell, assign, transfer and set over, unto said Visicon Technologies, Inc., its successors, legal representatives, and assigns the entire right, title, and interest in, to and under said improvements, and said application and all divisions, renewals, and continuations thereof, and all Letters Patent of the United States which may be granted thereon or claim priority therefrom and all reissues and extensions thereof, and all applications for Letters Patent which may hereafter be filed for said improvements in any country or countries foreign to the United States, and all Letters Patent which may be granted for said improvements or claim priority therefrom in any country or countries foreign to the United States and all extensions, renewals, and reissues thereof; and hereby authorizes and requests the Commissioner of Patents of the United States and any Official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patents for said improvements to said Visicon Technologies, Inc., its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND HEREBY further assign and transfer to Visicon Technologies, Inc. all priority rights derived from such application therefore by virtue of the International Convention for the Protection of Industrial Property for any and all member countries of the aforesaid International convention and do hereby assign and transfer to Visicon Technologies, Inc. the sole right to file further applications for patents under the patent laws of any country of the world based on any improvements disclosed in said application as fully and entirely as the same would have been held by had this assignment not been made.

AND HEREBY covenant that it has full right to convey the entire interest herein assigned, and that has not executed, and will not execute, any agreement in conflict herewith.

AND HEREBY further covenant and agrees to communicate to said Visicon Technologies, Inc., its successors, legal representatives and assigns, any facts known to us respecting said improvements, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, and generally do everything possible to aid said Visicon Technologies, Inc., its successors, legal representatives and assigns to obtain and enforce proper patent protection for said improvements in all countries.
