ASSIGNMENT

WHEREAS, VYSERA BIOMEDICAL LIMITED of BMR House, Parkmore Business Park West, Galway, Ireland (hereinafter designated as the Assignor) has acquired 100% of the right, title and interest in and to certain new and useful improvements in

BIOMATERIAL

for which an Application of the United States of America was filed on August 16, 2013 and assigned U.S. Serial No. 13/968,685, and;

WHEREAS, Coloplast A/S of Høtvedvej 1, DK-3050 Humlebaek, Denmark its heirs, successors, legal representatives and assigns (hereinafter designated as the Assignee) is desirous of acquiring the entire right, title and interest, in and for the United States of America;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) to the Assignor in hand paid, the receipt of which is hereby acknowledged, and other good and valuable consideration, the Assignor has sold, assigned and transferred, and by these presents do sell, assign and transfer unto said Assignee the full and exclusive right to the said invention in the United States of America and its territories and for all foreign countries, dependencies and possessions and the entire right, title and interest in and to any and all Letters Patents(s) which may be granted therefor in the United States of America and its territories, dependencies and possessions, and in and to any and all divisions, reissues, continuations and extensions thereof for the full term or terms for which the same may be granted.

The Assignor agrees to execute all papers necessary in connection with this application and any continuing, divisional or reissue applications thereof and also to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.

The Assignor agrees to execute all papers necessary in connection with any interference which may be declared concerning this application or any continuation, division or reissue thereof or Letters Patent(s) or reissue patent issued thereon and to cooperate with the Assignee in every way possible in obtaining and producing evidence and proceeding with such interference.

The Assignor agrees to execute all papers and documents and to perform any act which may be necessary in connection with claims under or provisions of the International Convention for the Protection of Industrial Property or similar agreements.

The Assignor agrees to perform all affirmative acts which may be necessary to obtain a grant of a valid United States Patent(s) to the Assignee and to vest all rights therein hereby conveyed to said Assignee as fully and entirely as the same would have been held by the Assignor if this Assignment and sale had not been made.

The Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks to issue any and all Letters Patents of the United States of America resulting from said application or any division or divisions or continuing or reissue applications thereof to the said Assignee, as Assignee of the entire interest, and hereby covenants that they have the full right to convey the entire interest herein assigned, and that they have not executed, and will not execute, any agreement in conflict herewith.

The Assignor hereby grants the law firm of Studebaker & Brackett PC the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the U.S. Patent and Trademark Office for recordation of this document.

In witness thereof, this Assignment has been executed by the undersigned on behalf of VYSERA BIOMEDICAL LIMITED and Coloplast A/S on the date(s) opposite the undersigned name(s).
