ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged,
I the undersigned,

Jian Yang, 2317 Autumnwood Drive, State College, PA 16801

(insert full name(s) and post office addresses of inventors)

(hereinafter, "Assignor"), who has created a certain invention for which an
application for United States Letters Patent entitled:

FLUORESCENT POLYMERS AND APPLICATIONS THEREOF

(insert title of invention)

(check one)

for which the application is attached hereto; or

for which the application for U.S. Letters Patent has been filed on
January 6, 2016, as Application Serial No. 14/903,181.

Do hereby sell, assign and transfer a fifty percent (50%) interest to:

Board of Regents, The University of Texas System, 201 West 7th Street, Austin, TX 78701

and

Do hereby sell, assign and transfer a fifty percent (50%) interest to:

The Penn State Research Foundation, 304 Old Main Street, University Park, PA 16801

(hereinafter, "Assignees"), their respective successors, assigns, and legal
representatives, co-ownership of the full and exclusive right to said invention and
said application and to any and all inventions described in said application for the
United States, its territorial possessions and all foreign countries, and co-ownership
of the entire right, title and interest in and to any and all Letters Patent which may be
granted therefor in the United States, its territorial possessions and all foreign
countries; and in and to any and all continuations-in-part, continuations, divisions,
substitutes, reissues, extensions thereof, and all other applications for Letters Patent
relating thereto which have been or shall be filed in the United States, its territorial
possessions and/or any foreign countries, and co-ownership of all rights, together
with all priority rights, under any of the international conventions, unions,
agreements, acts, and treaties, including all future conventions, unions, agreements,
acts, and treaties;

I authorize Assignees to apply for and receive Letters Patent for such protection in
their own names, in the United States, its territorial possessions, and all foreign
countries; and that, when requested to carry out in good faith the intent and purpose

of this assignment, at the expense of said Assignees, but without charge to Assignees, their respective successors, assigns and legal representatives, the undersigned will execute all continuations-in-part, continuations, divisions, substitutes, reissues, and extensions thereof, execute all rightful oaths, assignments, powers of attorney and other papers, testify in any legal or quasi legal proceedings; communicate to said Assignees, their respective successors, assigns, and legal representatives all facts known to the undersigned relating to said invention and the history thereof; and generally do everything possible which said Assignees, their respective successors, assigns or legal representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said invention and for vesting title to said invention and all applications for patents on said invention in said Assignees, their respective successors, assigns and legal representatives; and

Covenant with said Assignees, their respective successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.

IN TESTIMONY WHEREOF, I have hereunto set my signature below.
