ASSIGNMENT

For good and valuable consideration, I, **Paul Laemmlein**, residing in Cedar Hills, UT,

Hereby sell, assign and transfer to **SteathGearUSA, LLC**, a Utah Limited Liability Company with an address of 706 E 50 S, American Fork, Utah 84003, hereinafter "Assignee", its successors, assigns and legal representatives, my entire right, title and interest in and for the United States and all foreign countries, in and to any and all improvements which are disclosed in the applications listed below:

Serial No.	Filing Date	Patent No.	IssueDate	Title
14/741,310	6/16/2015			Weapon Holster Device
29/496,143	7/9/2014	D749840	2/23/2016	Utility and Magazine Carrier
29/517,298	2/11/2015			Modular Magazine Carrier
29/527,881	5/22/2015			Weapon Holster

and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said improvements; and in and to all original and reissued patents which have been or shall be filed in the United States and all foreign countries on said improvements;

Agree that said Assignee may apply for and receive Letters Patent for said improvements in its own name; and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns, and legal representatives, all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or legal representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
