## ASSIGNMENT

WHEREAS, I, Eric Jones, residing at 1304 So. Tampa Avenue, Russellville, Arkansas 72802, have jointly with Jayce Jones, residing at 20608 Crested Butte Drive, Little Rock, Arkansas 72210, and, Ivan Pena, residing at 1402 J Street Danville, Arkansas 72833, invented certain new and useful improvements disclosed in an application for U.S. Letters Patent entitled "Product Vending and Tube Delivery System for Delivering Products to Remote Consumers" and being filed herewith; and

WHEREAS, Jayce Jones, an individual residing at 20608 Crested Butte Drive, Little Rock, Arkansas 72210 (hereinafter designated as "Assignee"), is desirous of acquiring my entire right, title and interest in and to said improvements, in said application, and in any Letters Patent or Patents, United States or foreign, to be obtained thereon;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over unto the said Assignee my entire right, title and interest in and to said improvements, said application, all applications for Letters Patent or Patents heretofore or hereafter filed for said improvements in the United States of America and in any foreign country (including related rights such as utility model registrations, inventor's certificates and the like), and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted thereon, and in and to all substitutions, divisions, continuations and continuations-in-part of said United States or foreign applications, or renewals, extensions, reissues or reexaminations of said Letters Patent or Patents, and all rights under the International Convention for the Protection of Industrial Property, including all rights to claim priority; and

I hereby covenant that I have the full right to convey the entire interest herein assigned and that no assignment, sale, agreement or encumbrance has been or will be entered into which would conflict with this assignment; and

I hereby covenant and agree that I will communicate to said Assignee any fact known to me respecting said improvements, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent or Patents for said improvements, without further consideration from said Assignee, but at the cost and expense of said Assignee; and

I hereby request the Director of the United States Patent and Trademark Office, and any officials of foreign countries whose duty it is to issue patents on applications as aforesaid, to issue said Letters Patent to said Assignee.
