ASSIGNMENT

Whereas, North Dakota State University (hereinafter referred to as "Assignor"), an educational institution organized and existing under the Constitution and other laws of the State of North Dakota, having its principal offices at Old Main 102, Dept. No. 1000, P.O. Box 6050, Fargo, ND 58108-6050, has acquired by assignment the entire right, title, and interest in and to inventions and improvements described in

POLYAMIDE COPOLYMERS HAVING 2,5-FURAN DICARBOXAMIDE UNITS

International Application No. PCT/US2014/043428, filed 20 June 2014
U.S. Provisional Application No. 61/838,017, filed 21 June 2013

Now, therefore, for good and valuable consideration, receipt of which is acknowledged, Assignor has agreed to assign and transfer and does hereby assign and transfer unto NDSU Research Foundation (hereinafter referred to as "Assignee"), a North Dakota non-profit corporation, having its principal office at 1735 NDSU Research Park Drive, Dept. No. 4400, P.O. Box 6050, Fargo, ND 58108-6050, its successors and assigns, the entire right, title, and interest in and to said invention and application, and in and to any division or continuation (in whole or in part) of said application, and in and to any and all Letters Patent, reexaminations, reissues, or extensions thereof, of the United States of America and countries foreign thereto (including the right to apply for Letters Patent, Utility Models, or Inventors' Certificates in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted thereon or on any continued prosecution application, divisional, continuation (in whole or in part), renewal, reexamination, reissue, or other or further application based in whole or in part upon said invention or improvements thereon, to be held and enjoyed as fully and exclusively as they would have been by Assignor had this assignment and transfer not been made;

Assignor does further agree, for itself and its successors and assigns, to execute and deliver without further consideration any further applications, assignments, and documents, and to perform such other acts as it lawfully may, that may be deemed necessary by the Assignee, its successors, assigns, and nominees, fully to secure its right, title, and interest as aforesaid and to obtain or maintain Letters Patent, Utility Models, or Inventors' Certificates in any and all countries;

And Assignor does hereby authorize and request the Commissioner of Patents to issue any and all Letters Patent which may be granted upon any of said applications, to NDSU Research Foundation as the assignee of the entire right, title, and interest therein.

And, furthermore Assignor covenants and agrees with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by Assignor and that full right to convey the same as herein expressed is possessed by the Assignor.

In witness whereof, the below-identified representative of North Dakota State University, being duly authorized to act on behalf of North Dakota State University, hereunto signs on the day and year set forth below.
