ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, we

Leon Ekchian of Los Angeles, California
Colin Kealey of Los Angeles, California

hereby sell, assign and transfer to **NeuroSigma, Inc.**, a Delaware corporation, having a place of business at 10960 Wilshire Blvd., Suite 1230, Los Angeles, California 90024, its successors and assigns, the entire right, title and interest throughout the world in our invention in

PULSE GENERATOR FOR CRANIAL NERVE STIMULATION

for which was filed a United States Patent Application on **May 29, 2013**, having Application No. **13/990,348**, and all patent applications and patents of every country for said invention, including divisions, reissues, continuations and extensions thereof, and all rights of priority resulting from the filing of said applications; we authorize the above-named assignee to apply for patents of foreign countries for said invention, and to claim all rights of priority without further authorization from us; we agree to execute all papers useful in connection with said United States and foreign applications, and generally to do everything possible to aid said assignee, their successors, assigns and nominees, at their request and expense, in obtaining and enforcing patents for said invention in all countries; and we request that the United States Patent and Trademark Office issue all patents granted for said invention to the above-named assignee, its successors and assigns.

Executed this 17th day of March, 2016.
