US	11/988,518	Apr. 21, 2009	8,236,518	Aug. 7, 2012
US	13/552,246	Jul. 18, 2012	8,715,951	May 6, 2014

WHEREAS, inventor David N. Fass, residing at 1269 SW 17th Street, Miami, FL 33145 (hereinafter referred to as Assignee) should have assigned all right, title and interest in, to and under said patent applications and inventions covered thereby to Mayo Foundation for Medical Education and Research, organized under and pursuant to the laws of Minnesota and having a principle place of business at 200 First Street SW, Rochester, Minnesota 55905-0001.

WHEREAS, Assignor is desirous of conveying back to Assignee any right, title and interest previously assigned by Assignee to Assignor in, to and under said patent applications and the inventions covered thereby in order to clarify that any right, title and interest originally held by Assignee are properly held by Mayo Foundation for Medical Education and Research; and

AND, WHEREAS, Assignee is desirous of reacquiring any right, title and interest previously assigned by Assignee to Assignor in, to and under said patent applications and the inventions covered thereby in order to clarify that said right, title

and interest are properly held by Mayo Foundation for Medical Education and Research;

NOW, THEREFORE, for and in exchange for good and sufficient consideration, the receipt of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto Assignee, his successors, legal representatives and assigns, the entire right, title and interest previously assigned by Assignee to Assignor in and to the above-mentioned inventions and patent applications, and in and to any and all direct and indirect divisions, continuations and continuations-in-part of said application, and any and all Letters Patent in the United States and all foreign countries that may be granted therefor and thereon, and reissues, reexaminations and extensions of said Letters Patent, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for assignment to Mayo Foundation for Medical Education and Research and use and benefit of their successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignor, had this sale and assignment not been made.

AND for the same consideration, Assignor hereby represents and warrants to Assignee, their successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignor is the sole and lawful owners of the entire right, title and interest in and to said inventions and patent applications above- mentioned, and that the same are unencumbered other than rights held by the U.S. government and that Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignee, their successors, legal representatives and assigns, that Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be

done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, without charge to Assignee, their successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of their successors, legal representatives and assigns, shall advise: that any proceeding in connection with said inventions, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said inventions in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignor hereby requests the Commissioner of Patent and Trademarks to issue said Letters Patent of the United States to Assignee, as Assignee of said inventions and the Letters Patent to be issued thereon, for the sole use and benefit of Assignee, their successors, legal representatives and assigns.

AND Assignor hereby grants the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:
