**ASSIGNMENT, OATH, AND DECLARATION**

For valuable consideration, I, **Russell Hill** of San Antonio, Texas, hereby declare that the below-identified patent application was made or authorized to be made by me and that I believe that I am the original inventor of a claimed invention in the patent application and hereby assign to **Boral IP Holdings (Australia) Pty Limited**, a corporation of Australia, having a place of business at Level 3, 40 Mount Street, North Sydney NSW 2060, and its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title, and interest throughout the world in the inventions and improvements that are subject of an application for United States Patent, titled "**METHOD FOR PRODUCING BUILDING PANELS BY MAKING COATED FOAM IN SITU IN A MOLD**," filed March 18, 2016, and assigned U.S. Patent Application No. 15/074,596, this assignment including said application, any and all divisional, continuing, substitute, renewal, reissue, and all other applications for patent that have been or shall be filed in the United States and all foreign countries on any such inventions or improvements; all original and reissued patents that have been or shall be issued in the United States and all foreign countries on such inventions or improvements; and all United States and foreign patents, utility models, and design registrations granted for any of said inventions or improvements, and the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and I authorize the Assignee to apply in all countries in my name or in its own name for patents, utility models, design registrations, and like rights of exclusion and for inventors' certificates for said inventions and improvements; and I agree for myself and my respective heirs, legal representatives, and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. § 1001 by fine or imprisonment of not more than five (5) years, or both.

I authorize the firm of Meunier Carlin & Curfman LLC to insert the U.S. patent application filing date and U.S. patent application number into this document after my signature.

Date: Feb 22, 2016
