WHEREAS, Dixie Consumer Products LLC, a limited liability company duly organized under the laws of the State of Delaware, having a place of business at 133 Peachtree Street, N.E., Atlanta, Georgia ("Dixie"), is desirous of acquiring the entire right, title and interest in and to the aforesaid invention, Application, and in and to any Letters Patent of the United States or any foreign country which may be granted therefor;

NOW, THEREFORE, be it known that for good and valuable consideration, including my then employment by Dixie, the receipt and sufficiency of which is hereby acknowledged, Assignor by these presents does hereby sell, assign, and transfer unto Dixie, its successors, legal representatives, and assigns the full and exclusive right in and to the invention as described in the Application, and the entire right, title, and interest in and to the Application, to any and all Patent Applications claiming the benefit of priority to the Application and any and all Letters Patent which may be granted therefor in the United States and its territorial possessions, and in any and all foreign countries, and in and to any and all divisions, continuations, continuations-in-part, reexaminations, reissues, extensions, substitutions and renewals thereof; to the full end of the term for which said Letters Patent may be granted, the same to be held and enjoyed by Dixie, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment had not been made;

AND ASSIGNOR HEREBY authorizes and requests the Commissioner for Patents or any other proper officer or agency of any country whose duty it is to issue patents on applications as described above, to issue all said Letters Patent to Dixie, as assignee;

AND ASSIGNOR HEREBY warrants and covenants that I have full right to convey the entire interest herein assigned and that I have not executed and will not execute any instrument or assignment in conflict with this Assignment;

AND ASSIGNOR HEREBY agrees to communicate to Dixie or its representatives any facts known to me respecting said invention and/or Application, to execute all divisional, continuation, continuation-in-part, reexamination, reissue and foreign applications, sign all lawful documents and make all rightful oaths and declarations relating to said invention and/or Application, and to testify in any judicial or administrative proceeding and generally do everything possible to aid Dixie to secure
