ASSIGNMENT

For valuable consideration, I, Adam F. Czerwonka, of Roscoe, IL, hereby assign to Woodward, Inc., a Delaware corporation having a place of business in Fort Collins, CO, and its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title and interest throughout the world in the inventions and improvements which are subject of a US Patent Application entitled GEAR PUMP BEARING DAM, filed 11/26/2013, and assigned US Patent Application Serial Number 14/090,786, this assignment including said application, any and all United States and foreign applications and patents, utility models, and design registrations for any of said inventions or improvements; and the right to claim priority based on the filing date of said application under all treaties; and I hereby authorize the Assignee to apply in all countries in my name or in its own name for patents, utility models, design registrations and like rights of exclusion and for inventors' certificates for said inventions and improvements; and I agree for me and my respective heirs, legal representatives and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.
