WHEREAS, Altitude, Inc., (hereinafter "Altitude") a corporation organized and existing under the laws of the Commonwealth of Massachusetts, having offices at 21 Whipple St., Somerville, MA 02144, is the owner by assignment of an invention entitled CADDY FOR DRINKING VESSELS made by its employees, Aaron Abroff and Joongoo Lee, which invention is the subject of United States Patent Application S.N. 29/550,787, filed on January 7, 2016;

WHEREAS, Tervis Tumbler Company (hereinafter Tervis Tumbler), a corporation organized and existing under the laws of the State of Florida, having offices at 201 Triple Diamond Blvd., North Venice, FL 34275, wishes to have assigned to it by Altitude all of Altitude's right title and interest in and to said invention, said above identified application and any other application for Letters Patent of the United States of America based on said invention, including all divisional, continuing, renewal, reissue, or other applications based upon said application and for all foreign patents based on said design invention or on any of said applications and/or claiming priority therefrom (hereinafter referred to as the "Patent Rights"); and

WHEREAS, Altitude is desirous of assigning all of its right title and interest in and to said Patent Rights to Tervis Tumbler.

NOW THEREFORE in consideration of the sum of One Dollar (\$1.00) and for other good and valuable consideration, the receipt of which is hereby acknowledged, Altitude, by these presents does sell, assign and transfer unto the said Tervis Tumbler, its entire right, title and interest in and throughout the United States, its territories and all countries foreign thereto in and to the Patent Rights.

TO BE HELD AND ENJOYED by said Tervis Tumbler, and its legal representatives and assigns to the full ends of the terms for which said patents, or any of them, have been granted as fully and entirely as the same would have been held and enjoyed by Altitude had no sale and assignment of said interest been made; and Altitude does hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all Letters Patent which may be granted upon the said Patent Rights to Tervis Tumbler.

Altitude hereby agrees for itself, its legal representatives, successors and assigns to execute without further consideration, any further legal documents and any further assignments and any releases, reissues, renewals or other applications for Letters Patent that may be deemed necessary by Tervis Tumbler fully to secure to Tervis Tumbler its interest as aforesaid in and to said Patent Rights or any part thereof.

Altitude does hereby covenant for itself, its legal representatives, successors and assigns and agree with Tervis Tumbler, and its legal representatives, as of date of the execution of this Assignment that Altitude then had good right and title in and to the Patent Rights and that Altitude has not executed and will not execute any instrument in conflict therewith.
