**TERMINATION AND RELEASE OF  
SECURITY INTERESTS IN PATENTS**

This Termination and Release of Security Interests in Patents (the "Termination and Release") is granted as of March 28, 2016, from PNC Bank, National Association as administrative agent (the "Administrative Agent") for the Lenders that are parties to a Second Amended and Restated Credit Agreement, dated May 27, 2015 (as amended, modified, supplemented or restated from time to time, the "Credit Agreement") to BIO ENERGY (WASHINGTON), LLC (the "Grantor"). Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned thereto in the Credit Agreement.

WHEREAS, pursuant to the Second Amended and Restated Security Agreement, dated May 27, 2015 (the "Security Agreement"), made by Grantor in favor of the Administrative Agent, the Grantor granted a security interest and continuing lien (the "Security Interests") to the Administrative Agent in the Patent Collateral (as hereinafter defined); and

WHEREAS, the Notice of Security Interest in Patent, memorializing the Security Interests in the Patent Collateral, was recorded in the United States Patent and Trademark Office on June 3, 2015, at Reel 035772, Frame 0596;

WHEREAS, the Grantor has requested a specific release of the Security Interests granted and recorded against the Patent Collateral; and

WHEREAS, the Administrative Agent now desires to terminate and release the entirety of its Security Interests in the Patent Collateral;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and upon the terms set forth in this Termination and Release, the Administrative Agent hereby agrees as follows:

1. Patents: The term "Patent Collateral," as used herein, shall mean all of the Grantor's right, title and interest in, to and under all United States and foreign patents and certificates of invention, or similar industrial property rights, and applications for any of the foregoing, whether now owned or existing or hereafter acquired or arising and wherever located, including: (a) the patent listed on Schedule A hereto; (b) all reissues, extensions divisions, continuations, continuations-in-part, renewals and reexaminations thereof, (c) all inventions and improvements described therein, (d) the right to sue or otherwise recover for any past, present, and future infringement or other violation thereof, (e) all proceeds of the foregoing, including, licenses, income, royalties, damages, claims, payments and proceeds of suit now or hereafter due and/or payable with respect thereto, and (f) all other rights of any kind accruing thereunder or pertaining thereto throughout the world.

2. Release of Security Interests: The Administrative Agent hereby (a) releases, relinquishes, terminates and discharges its Security Interests in the Patent Collateral, and (b) reassigns without warranty or recourse any and all such right, title and interest (if any) that the Administrative Agent may have in the Patent Collateral, to the Grantor, and any right, title or interest of the Administrative Agent in such Patent Collateral shall hereby immediately cease and become void.

3. Authorization: The Administrative Agent hereby authorizes and directs the Commissioner of the United States Patent and Trademark Office, as well as the intellectual property offices of any other relevant jurisdictions, to record this Termination and Release.

4. Further Assurances: At the request and sole expense of the Grantor, the Administrative Agent hereby agrees to execute, acknowledge and deliver all such further instruments and to take all such further actions as may be reasonably requested or are required in order to more fully and effectively carry out the purpose of this Termination and Release.

5. Governing Law: This Termination and Release and the rights and obligations of the parties hereunder shall be governed by, and shall be construed and enforced in accordance with, the laws of the State of Maryland.
