Assignment

Whereas I, Peter Wood, with an address of 42 Burnside Walk, Aberdeen, Aberdeenshire AB21 7HD, United Kingdom, hereinafter referred to as Applicant, have invented certain new and useful improvements in apparatus and method(s) related to Improved Isolation Barrier; and on August 19, 2015 filed an application for Letters Patent of the United States of America, assigned SN 14/769019;

Whereas, Meta Downhole Limited, Claymore Drive, Aberdeen Energy Park, Bridge of Don, Aberdeen AB23 8GD, United Kingdom, herein referred to as Assignee, desires to acquire all of Applicant's rights, title and interest in said invention and said United States patent application SN 14/769019, in any other United States patent application(s) thereon, and other rights as described herein;

Therefore, in consideration of the sum of one dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is acknowledged, I, Applicant, by these presents do sell, assign and transfer unto Assignee all of my rights to said invention(s) in the United States, and all of my rights, title and interest in and to said application SN 14/769019, any and all other United States patent applications on said invention, and to any and all patents which may be granted on any of said applications in the United States. I hereby authorize and request the Commissioner of Patents and Trademarks to issue any of said United States Patents to Assignee, of Applicant's entire right, title and interest in and to the same, for Assignee's sole use and benefit; and for the use and benefit of its legal representatives, to the full end of the term for which any of said patents may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made. I agree to take such further action and to execute such further documents, including but not limited to assignments, declarations, and/or powers of attorney, as are reasonably necessary to fully vest Assignee with the rights described herein and intended to be conveyed hereby.

Executed this 24 day of August, 2015, at Aberdeen,
United Kingdom.

Peter Wood
