ASSIGNMENT

WHEREAS, we, **Kim Canchola** of Canyon Country, California, **Marlena N. Coleman** of Studio City, California, **Ronald G. Ennis** of Los Angeles, California, and **Shane Taghavi** of Valencia, California, have made certain inventions which are described in Design Patent Application No. 29/498,427 filed August 4, 2014, for Letters Patent of the United States entitled **TAG**, executed by us preparatory to obtaining United States Letters Patent therefore, and

WHEREAS, **Precision Dynamics Corporation** (hereinafter referred to as said Company), a California corporation, having a place of business at, 27770 North Entertainment Drive, Suite 200, Valencia, California 91355, is desirous of acquiring the entire interest in said inventions throughout the United States of America and the territories thereof, for all other countries and under all international agreements,

NOW THEREFORE, for and in consideration of One Dollar (\$1.00) in hand paid, and other good and valuable consideration, receipt whereof is hereby acknowledged, we hereby sell, assign, and transfer unto said Company, its successors and assigns, the entire right, title and interest throughout the United States of America and the territories thereof and for all foreign countries, in and to said inventions, the aforesaid application, all prior, related United States provisional applications, and all other applications hereafter filed in the United States or any other country based in whole or in part on said inventions, and all Letters Patent granted upon said application by the United States or any other country, and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to said Company. We further grant to said Company, its successors and assigns, the right to claim for any of said applications the full benefits and priority rights of any international agreement between the United States and any foreign country or countries.

We hereby warrant that we have the full right to make the conveyance herein, and we hereby covenant that we, our heirs, legal representatives and assigns, will, when requested, communicate to said Company, its representatives, successors and assigns, all facts known respecting said inventions, execute all divisional, continuing, reissue, reexamination and foreign applications together with individual assignments therefore, make all rightful oaths, sign all lawful papers, testify in any legal proceeding and generally do everything possible to aid said Company, its successors and assigns, in the obtaining of Letters Patent.

IN TESTIMONY WHEREOF, we have hereunto set our hand on the dates indicated with our signatures.
