**ASSIGNMENT**

WHEREAS, I, the undersigned, of residence as listed, have performed design services for Ultravision Holdings, LLC, which is now Ultravision Technologies, LLC ("Ultravision"), and the result of such design services have been incorporated into the description of patents and patent applications ("Patents") filed by Ultravision claiming the benefit of U.S. provisional patent applications 61/677,340, 61/377,346, and 61/677,352, a current list of which is attached hereto;

WHEREAS, it has been brought to my attention that results of my design services may include inventions claimed in the Patents; and

WHEREAS, Ultravision Technologies, LLC ("Assignee"), a corporation organized and existing under the laws of TX, United States, with its principal office at 4542 McEwen Rd, Dallas, TX 75244 United States, is, by previous agreement, owner of my entire right, title and interest, if any, in the Patents;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I hereby assign to said Assignee, its successors and assigns, my entire right, title and interest in and to the Patents, including all future non-provisional applications including divisions, reissues, substitutions, continuations, and extensions thereof; and I hereby authorize and request the Commissioner for Patents to issue all Patents, insofar as my interest is concerned, to said Assignee, as assignee of my entire right, title and interest. I declare that I have not executed and will not execute any agreement in conflict herewith.

I also hereby sell and assign to Assignee, its successors and assigns, my foreign rights to the invention disclosed in said application, in all countries of the world, including, but not limited to, the right to file applications and obtain patents under the terms of the International Convention for the Protection of Industrial Property, and of the European Patent Convention, and further agree to execute any and all patent applications, assignments, affidavits, and any other papers in connection therewith necessary to perfect such patent rights.

I hereby further agree that I will communicate to said Assignee, or to its successors, assigns, and legal representatives, any facts known to me respecting the Patents, and at the expense of said Assignee, its legal representatives, successors, or assigns, will testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, reissue and substitute applications, make all lawful oaths, and generally do everything possible to aid said Assignee, its legal representatives, successors, and assigns, to obtain and enforce proper patent protection for said invention in all countries.

IN WITNESS WHEREOF, I hereunto set my hand and seal this day and year;
