ASSIGNMENT OF PATENT APPLICATIONS/PATENTS

Whereas, NORTEKUSA, LLC, a limited liability company organized and existing under the laws of the State of Massachusetts, referred to as "Assignor", whose principal place of business is at 27 Drydock Avenue, Boston, MA 02210, owns certain inventions for which United States Patents are listed in Exhibit A; and

Whereas, NORTEK AS, a limited liability company, organized and existing under the laws of Norway, hereinafter referred to as "Assignee", whose principal place of business is at Vangkroken 2, 1351 Rud, Norway, wishes to acquire the full and exclusive right, title and interest in the inventions and any patents and equivalent legal protections that are obtained thereon in the United States and in any foreign countries;

Now, therefore, for good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby sells, assigns and transfers to Assignee, its successors and assigns, the full and exclusive right, title and interest in the inventions and United States Patents (and any corresponding Foreign Patent Applications), both in the United States and abroad, for the full term(s) for which the same are granted.

Assignor covenants that no assignment, sale, agreement or encumbrance has been or will be made or entered into that would conflict with this Assignment.

Assignor further covenants that Assignee will, upon its request, be provided promptly with all pertinent facts and documents relating to these inventions, United States Patents (and any corresponding Foreign Patent Applications), that are known and accessible to Assignor, and that Assignor will testify in any interference or litigation related thereto.

Assignor further covenants that they will promptly execute and deliver to Assignee or its legal representative any documents, instruments or affidavits required to apply for, obtain, maintain, issue and enforce these inventions, United States Patent Applications/Patents and International Patent Application (and any corresponding Foreign Patent Applications), both in the United States and abroad.
