Declaration and Assignment—Patent Application
Molecular Breast Imaging with Biopsy Guidance
Page 1 of 2

I hereby declare that:

My residence, mailing address, and citizenship are as stated below next to my name.

I believe myself to be the original inventor of the subject matter which is claimed and for which a patent is sought on the invention titled **Molecular Breast Imaging with Biopsy Guidance**. The application was made or authorized to be made by me.

I hereby state that I have reviewed and understand the contents of the above-identified application, including the claims.

I am aware of the duty to disclose information known to me which is material to patentability as defined in 37 CFR 1.56.

Direct all correspondence to the address associated with Customer Number 00279.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon. I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

WHEREAS, KROMEK GROUP, PLC, a corporation organized and existing under the laws of the United Kingdom, having its principal place of business at Netpark, Thomas Wright Way, Sedgefield, County Durham, UK TS21 3FD ("ASSIGNEE"), is desirous of acquiring the entire right, title, and interest in and to said invention, said application, and in, to, and under all Letters Patent of the United States and foreign countries that may be granted therefor;

NOW, THEREFORE, in consideration of the sum of Five Dollars (\$5.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, I have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over to and unto said ASSIGNEE, its successors and assigns, for, within and throughout the United States and the territories thereof, and all foreign countries, the entire right, title and interest in and to said invention, and in, to and under said application, and all Letters Patent of the United States and foreign countries (including all priority rights that I may have or acquire under any International Convention or treaty) that may be granted therefor, including any and all divisions, reissues, continuations, substitutions, renewals and prolongations thereof, to have and to hold for the sole and exclusive use and benefit of said ASSIGNEE, its successors and assigns, to the full end of the term or terms for which any and all of said Letters Patents for said invention may issue;

I do hereby covenant and agree, for myself, my heirs and my legal representatives, that I will assist said ASSIGNEE in the prosecution of the application herein identified; in the making and prosecution of any other applications for Letters Patent that said ASSIGNEE may elect to make covering the invention herein identified, as hereinbefore set forth; in vesting in said ASSIGNEE like exclusive title in and to all such other applications and Letters Patent; and in the prosecution of any interference which may arise involving said invention, or any application or Letters Patent herein contemplated; and that I will execute and deliver to said ASSIGNEE any and all additional papers that may be requested by said ASSIGNEE to fully carry out the terms of this assignment;

And I do hereby authorize and request the Commissioner of Patents to issue all Letters Patent of the United States that may be granted pursuant to the application aforesaid, or for said invention, to said ASSIGNEE, its
