## ASSIGNMENT OF PATENT RIGHTS

Aquadation Technologies, LLC (ASSIGNOR),

For good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, does hereby sell and assign to Aquadation, LLC a Texas limited liability company (ASSIGNEE), of Austin, Texas, its successors, assigns and legal representatives all its right, title and interest, in and for the United States of America, in and to the patent applications:

US patent no. 6,558,078  
US patent no. 7,018,134  
US patent no. 9,074,340, and  
Patent application serial no. 14/718,967

and all United States Letters Patent which may be granted for the application (and for any related patent applications to be filed), and all divisions, reissues, continuations and extensions of the listed patents, the interest being the entire ownership of the said Letters Patent when granted, to be held and enjoyed by the said ASSIGNEE, its successors, assigns or other legal representatives, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held and enjoyed by me/us if this assignment and sale had not been made;

And ASSIGNOR hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to the said ASSIGNEE.

ASSIGNOR further agrees upon request, without compensation but at no expense to ASSIGNEE to execute (and cause to have executed) any and all other legal documents as may be necessary or desirable to vest the enjoyment of and formally secure the rights hereby assigned to ASSIGNEE, its legal representatives, successors, and assigns, or as it may direct and to provide assistance in preparation and filing of patent applications thereon (including the application referenced above).
