USPTO SOCKET NUMBER: IN92018027151

DECLARATION (37 C.F.R. § 1.63) FOR UTILITY PATENT APPLICATION USING AN APPLICATION DATA SHEET (37 C.F.R. § 1.76) AND ASSIGNMENT

Title of Invention: ENFORCING SECURITY POLICIES FOR SOFTWARE CONTAINERS

As a below named and undersigned inventor, I hereby declare that:

This declaration is devoted to the attached application, or if following box is checked:

United States application or PCT international application number

Of/in:

The above identified application was made or authorized to be made by me

I declare that I am the original inventor or an original joint inventor of a claimed invention in the application.

I have reviewed and understood the contents of the application, including the claims.

I am aware of the duty to disclose to the United States Patent and Trademark Office all information known to me to be material to patentability as defined in 37 C.F.R. § 1.56.

Whereas, I ("ASSIGNED") have made certain inventions, improvements, and discoveries (herein referred to as the "Invention") disclosed in the above identified parent application and further identified by the USPTO Desk Number provided above in the header of this document.

Whereas, International Business Machines Corporation (herein referred to as the "ASSIGNED"), a corporation of New York having a place of business at Armonk, New York, desires to acquire, and I desire to grant to the ASSIGNED, my entire worldwide right, title, and interest in and to the Invention and in and to any and all parent applications and patents derived therefrom.

Now, therefore, for good and valuable consideration, the receipt and sufficiency of which being hereby acknowledged, I hereby will or have sold, assign or have assigned, and otherwise transferred or have transferred to the ASSIGNED, its successors, legal representatives, and assigns, my entire worldwide right, title, and interest in and to the Invention, the above identified United States patent application, and any and all other parent applications and patents for the Invention which may be applied for or granted hereafter in the United States and in all foreign countries and jurisdictions, including all divisions, continuations, renewals, amendments, extensions, extensions without part, subdivisions, and corrections formed, and all rights of priority resulting from the filing of such applications and granting of such patents, in addition to hereby authorizing and appointing the Director of the United States Patent and Trademark Office to issue any United States Patent, and foreign patent and/or to issue any foreign patent, granted for the Invention, to the ASSIGNED, its successors, legal representatives, and assigns, my entire worldwide right, title, and interest in and to the same to be held and enjoyed by the ASSIGNED, its successors, legal representatives, and assigns on the full and irrevocable terms for which any and all such patents may be granted, or that and entirely as would have been held and enjoyed by me had the Assignment not been made, and I agree to execute any and all requirements and instruments, and perform all needed acts necessary related to executing the Assignment or carrying out the Invention and all related patents and applications, in the ASSIGNED, its successors, legal representatives, and assigns, whenever required by the ASSIGNED, its successors, legal representatives, or assigns.

IPM Docket NUMBER: IN928150297191

I, the undersigned, do hereby acknowledge my prior and existing obligations to sell, assign, and transfer my rights under this Assignment to the ASSIGNEE and am unaware of any reason why I do not have the full and unencumbered right to sell, assign, and transfer my rights hereby sold, assigned, and transferred, and have not executed, and will not execute, any document or instrument in conflict herewith. I also hereby grant the ASSIGNEE, its successors, legal representatives, and assigns, the right to insert in this Assignment any further identification (including, but not limited to, patent Application Number) which may be necessary or desirable for execution of this Assignment. This Assignment is governed by the substantive laws of the State of New York, and any disputes will be resolved in a New York state court or federal court used in New York.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. § 1001 by fine or imprisonment of not more than five (5) years, or both.

DECLARATION (37 C.F.R. § 1.63) FOR UTILITY PATENT APPLICATION USING AN APPLICATION DATA SHEET (37 C.F.R. § 1.76) AND ASSIGNMENT

Title of Invention: **ENFORCING SECURITY POLICIES FOR SOFTWARE CONTAINERS**

As a below named and undersigned inventor, I hereby declare that:

This declaration is directed to the attached application, or (if following box is checked):

United States application or PCT international application number _____
filed on _____.

The above-identified application was made or authorized to be made by me.

I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

I have reviewed and understand the contents of the application, including the claims.

I am aware of the duty to disclose to the United States Patent and Trademark Office all information known to me to be material to patentability as defined in 37 C.F.R. § 1.56.

Whereas, I (“ASSIGNOR”) have made certain inventions, improvements, and discoveries (herein referred to as the “Invention”) disclosed in the above-identified patent application and further identified by the IBM Docket Number provided above in the header of this document;

Whereas, International Business Machines Corporation (herein referred to as the “ASSIGNEE”), a corporation of New York having a place of business at Armonk, New York, desires to acquire, and I desire to grant to the ASSIGNEE, my entire worldwide right, title, and interest in and to the Invention and in and to any and all patent applications and patents directed thereto;

Now, therefore, for good and valuable consideration, the receipt and sufficiency thereof being hereby acknowledged, I hereby sell or have sold, assign or have assigned, and otherwise transfer or have transferred to the ASSIGNEE, its successors, legal representatives, and assigns, my entire worldwide right, title, and interest in and to the Invention, the above-identified United States patent application, and any and all other patent applications and patents for the Invention which may be applied for or granted therefor in the United States and in all foreign countries and jurisdictions, including all divisions, continuations, reissues, reexaminations, renewals, extensions, counterparts, substitutes, and extensions thereof, and all rights of priority resulting from the filing of such applications and granting of such patents. In addition, I hereby authorize and request the Director of the United States Patent and Trademark Office to issue any United States Patent, and foreign patent authorities to issue any foreign patent, granted for the Invention, to the ASSIGNEE, its successors, legal representatives, and assigns, my entire worldwide right, title, and interest in and to the same to be held and enjoyed by the ASSIGNEE, its successors, legal representatives, and assigns to the full end of the terms for which any and all such patents may be granted, as fully and entirely as would have been held and enjoyed by me had this Assignment not been made; and I agree to execute any and all documents and instruments and perform all lawful acts reasonably related to recording this Assignment or perfecting title to the Invention and all related patents and applications, in the ASSIGNEE, its successors, legal representatives, and assigns, whenever requested by the ASSIGNEE, its successors, legal representatives, or assigns.

I acknowledge my prior and ongoing obligations to sell, assign, and transfer my rights under this Assignment to the ASSIGNEE and am unaware of any reason why I may not have the full and unencumbered right to sell, assign, and transfer my rights hereby sold, assigned, and transferred, and have not executed, and will not execute, any document or instrument in conflict herewith. I also hereby grant the ASSIGNEE, its successors, legal representatives, and assigns, the right to insert in this Assignment any further identification (including, but not limited to, patent Application Number) which may be necessary or desirable for recordation of this Assignment. This Assignment is governed by the substantive laws of the State of New York, and any disputes will be resolved in a New York state court or federal court sited in New York.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. § 1001 by fine or imprisonment of not more than five (5) years, or both.
