ASSIGNMENT OF PATENT RIGHTS

I/we hereby declare that I/we have assigned to

Atlas Copco Secoroc LLC, 1600 S. Great Southwest Parkway, Grand Prairie, Texas 75051, USA

Name and address of assignee

My/our entire right to obtain patents on an invention made by us Michael A White and Jeffrey P White relating to

S14003, FP147, "Off Bottom Flow Diverter Sub", US14/596,469

The assignment of the above mentioned right to an invention includes a transfer of all patent rights and similar rights in all countries, as well as the right to use the related convention priority.

The assignment includes all rights to damages as a result of infringements of the rights that may have occurred before the effective date of assignment.

Compensation for the assignment is agreed separately.

On request, I/we undertake free of charge to sign all documents which may be required to assert the rights hereby transferred, and also to assist in technical questions. If I should be prevented from signing said documents in person, this document of assignment shall be valid as a power of attorney for the assignee to sign these documents on my behalf or in the event of my death on behalf of the estate of the deceased.
