ASSIGNMENT

WHEREAS, Jarlen Don, a resident of Carbondale, Illinois (hereinafter referred to as "Assignor"), is the inventor of a certain new and useful invention relating to GLASS-CERAMICS BASED ANTIOXIDANTS FOR THE OXIDATION PROTECTION OF CARBON-CARBON COMPOSITES for which application for Letters Patent has been made as U.S. Provisional Patent Application No. 61/782,368 that was filed on March 14, 2013; and for which an application for Letters Patent has been made as U.S. Patent Application 14/212,666 that was filed on March 14, 2014; and

WHEREAS, Assignor is the owner and in full possession of the entire right, title and interest in and to said invention and in and to any and all Letters Patent that may be granted therefor anywhere in the world; and

WHEREAS, this Assignment is in accordance with and subject to the Board Of Trustees, Southern Illinois University's Policy regarding Intellectual Property and Patents that is effective as of the date of the signing and execution of this Assignment; and

WHEREAS, the Board of Trustees, Southern Illinois University, a body politic and corporate of the State of Illinois, (hereinafter referred to as "Assignee"), having its principal office and place of business at 900 S. Normal Ave., Carbondale, IL 62901, is desirous of acquiring the entire right, title and interest in and to said invention and in and to any and all Letters Patent that may be granted therefor; and

NOW, THEREFORE, for and in consideration of the sum of One Dollar (U.S. \$1.00) and other valuable considerations to Assignor paid by said Assignee, receipt and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign and transfer unto said Assignee, the entire right, title and interest in and to said invention and improvements thereto,

and in and to any and all patent applications, including provisional and non-provisional patent applications, Letters Patent, both United States and foreign, that may be granted therefor, together with any and all continuations, divisions, or reissues, and Assignor do hereby authorize and request the United States Commissioner of Patents and Trademarks to issue in accordance with this Assignment any and all Letters Patent that may be granted, either on said application or otherwise for said invention to the Board of Trustees of Southern Illinois University as the Assignee of the entire right, title and interest in and to the same, for the sole use and benefit of the Board of Trustees of Southern Illinois University, its successors or assigns.

AND for the same consideration, Assignor hereby represent and warrant to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignor is the sole and lawful owner of the entire right, title and interest in and to the Invention and application for Letters Patent above-mentioned, and that the same are unencumbered and that Assignor have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignor hereby covenants and agree to and with Assignee, its successors, legal representatives and assigns, that Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said Invention or Letters Patent or applications for Letters Patent, or any proceeding in connection with any

Letters Patent or applications for Letters Patent for said Invention in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation, or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignor hereby grant the following person(s) the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:

Board of Trustees, Southern Illinois University
900 S. Normal Ave.
Carbondale, IL 62901

AND Assignor acknowledges an obligation of assignment of this Invention to Assignee at the time the invention was made.

IN WITNESS WHEREOF, Assignor has hereunto set his hand and seal.

Dated: 4/8/2016
