ASSIGNMENT AGREEMENT

WHEREAS, I, Danny Lee Haile ("Assignor"), a citizen of the United States, having an address of 299 Shawnan Lane, La Habra, CA 90631, have invented certain new and useful improvements in the properties listed herein.

WHEREAS, Nail Alliance, LLC ("Assignee"), a Limited Liability Company having its principal place of business at 6840 N. Oak Trafficway, Gladstone, MO 64118, is desirous of acquiring the entire right, title and interest in and to the Invention, all patent applications, and all patents that may be granted for or upon the Invention in the United States of America and all countries foreign to the United States;

NOW THEREFORE, on the date shown below, and for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged,

I, Danny Lee Haile, have sold, assigned, transferred and conveyed and by these presents do hereby sell, assign, transfer and convey to Nail Alliance, LLC, the entire right, title and interest, in and to the following:

- (a) All inventions and improvements disclosed in paragraphs (b), (c) and (d) below (hereinafter, the "Invention");
- (b) U.S. Patent No. 8,242,475, issued August 14, 2012;
- (c) U.S. Patent No. 8,739,431, issued June 3, 2015;
- (d) U.S. Patent Application No. 14/260,854 filed April 24, 2014;
- (e) all provisional and non-provisional patent applications that may be filed in the United States with respect to the Invention;
- (f) all Letters Patent issued pursuant to, or as a result of, the applications referenced above;
- (g) all applications for Letters Patent, or similar legal protection, which have been or may be filed in any country or countries foreign to the United States with respect to the Invention, together with all rights to file and to claim priority in connection with said foreign-filed applications;
- (h) all Letters Patent which may be granted for the Invention in any country or countries foreign to the United States;
- (i) all extensions, renewals, reissues, refilings, divisions, and continuations, continuations-in-part (or their legal equivalents) of any applications or Letters Patent referred to above and all Letters Patent which may be granted therefore; and

- (j) all claims for damages by reason of past infringement of any of the foregoing, with the right to sue and collect therefor.

2. I authorize and request the Commissioner of Patents and Trademarks of the United States, and any official of any country or countries foreign to the United States whose duty it is to issue patents or similar legal protection on applications, to issue to Assignee all Letters Patent or similar legal protection for the Invention or improvements.

3. I agree that, upon the request of Assignee, I and my executors and legal representatives will:

- (a) make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents for the Invention or improvements;
- (b) execute any application for reissue or extension of any Letters Patent that may be granted upon the application;
- (c) communicate to said Assignee, its successors and representatives all facts known to me relating to said Invention and improvements and the history thereof;
- (d) cooperate to the best of my ability in connection with any legal proceedings, including testimony, preparing statements and giving and producing evidence;
- (e) perform any and all affirmative acts to obtain Letters Patent and vest all rights in such Letters Patent in Assignee, its successors or assigns; and
- (f) generally perform such additional acts as Assignee may deem necessary or expedient in connection with any of the matters stated above.

All of the foregoing to be held and enjoyed by Assignee for its own use and benefit, and for its legal representatives, successors and assigns, to the full end of the term and any extensions for which any patents may be granted.

4. I covenant, represent, and warrant that as of the date of this Assignment Agreement, I am the true and lawful inventor of the invention and that I have not and will not execute any agreement in conflict with this Assignment Agreement.

5. This Assignment Agreement is binding upon, will inure to the benefit of, and will be performed by the parties named, their heirs, administrators, legal representatives, successors and assigns.
