5. United States patent application serial number 14/214,775; filed March 15, 2014;
6. Taiwan patent application number 103111634; filed March 28, 2014;
7. United States patent application serial number 14/244,571; filed April 3, 2014; and
8. PCT international patent application number PCT/US14/32870; filed April 3, 2014.

WHEREAS, World Bottling Cap, LLC, an entity organized and existing under the laws of the State of Nevada, having a place of business at 3044 Old Denton road, #111-225, Carrollton, TX 75007 (hereinafter, the "Assignee"), desires to acquire the entire right, title and interest for the United States of America and elsewhere throughout the world in and to said invention, the patents and patent applications identified above, and any and all patent applications which claim priority therefrom, including any and all divisions, continuations, international and domestic counterparts thereof, and any and all Letters Patent which may be granted thereon, including any and all renewals, reissues and prolongations thereof.

NOW, THEREFORE in consideration of the sum of One Dollar (\$1.00) and other valuable and legally sufficient consideration, the receipt of which by the Assignor from the Assignee is hereby acknowledged, the Assignor has sold, assigned and transferred, and by these presents does sell, assign and transfer to the Assignee, the entire right, title and interest worldwide in and to the invention and the patents and patent applications identified above, and any patents claiming priority therefrom that may issue for said invention worldwide; including the full right to claim for any such application all benefits and priority rights under any applicable convention; together with the entire right, title and interest in and to all continuations, divisions, renewals, extensions, and international and domestic counterparts thereof of any of the patent applications and patents defined above; to have and to hold for the sole and exclusive use and benefit of the Assignee, its successors and assigns, to the full end of the term and terms for all such patents.

AND said Assignor hereby covenants and agrees, for both the Assignor and the Assignor's legal representatives, that the Assignor will assist the Assignee in the prosecution of such patent applications identified above; in the making and prosecution of any other patent applications that the Assignee may elect to make covering the invention identified above; in vesting in the Assignee like exclusive title in and to all such other patent applications and patents; and in the prosecution of any interference which may arise involving said invention, or any such patent application or patent; and that the Assignor will execute and deliver to the Assignee to carry out the terms of this Assignment.

Assignment of Patents and Patent Applications  
World Bottling Cap, LLC

AND said Assignor authorizes and requests the applicable national patent bodies to issue any patent on said applications and on any all divisions and continuations thereof, to said Assignee, its assigns and legal representatives, in accordance with the terms of this Assignment.
