ASSIGNMENT OF PATENT

WHEREAS, Design Icon Ltd., having a place of business at Suite 602, 6/F Midas Plaza, 1 Tai Yaw Street, San Po Kong, Kowloon, Hong Kong, hereinafter referred to as "Assignor," has acquired an interest in an invention entitled "BATTERY CHARGING DEVICE," for which a U.S. Design Patent Application is being filed herewith, having Attorney Docket No. 40410-02009, and any applications filed in connection with the above invention (the "Patent");

WHEREAS, Energizer Brands, LLC, having a place of business at 533 Maryville University Drive, Saint Louis, Missouri 63141, hereinafter referred to as "Assignee," is desirous of acquiring our entire right, title and interest in and to the Patent;

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, we, the Assignor, by these presents do sell, assign and transfer unto Assignee, its successors and assigns, the full and exclusive right to the Patent and all letters patent of United States or any countries which may be or have been issued on the invention disclosed in the Patent, all divisions, reissues, continuations, and continuations-in-part, based in whole or in part thereof, and all inventions disclosed therein, together with all claims for damages by reason of past or future infringement, with the right to sue for and collect the same for the use and benefit of Assignee and its successors and assigns.

Assignor warrants that they are the exclusive owner of the entire legal and equitable interest in the Patent and the invention disclosed therein, free and clear of all liens and encumbrances; and that they have full power, authority, and capacity to make this Assignment to Assignee. Assignor covenants and agrees, for themselves and for their successors and assigns that, at Assignee's request, Assignor will cause to be executed and delivered any applications, affidavits, assignments, and other instruments as may be deemed necessary or desirable by Assignee to secure for or vest in Assignee, its successors or assigns, all right, title,

and interest in and to any application, patent, or other right or property covered by this assignment, including the right to apply for and obtain patents in foreign countries under the provisions of the International Convention; and Assignor hereby requests and authorizes the United States Commissioner of Patents and Trademarks to issue any and all United States patents granted on the Patent to Assignee as owner of the entire right, title, and interest in and to the same, and authorizes appropriately empowered officials of foreign countries to issue any letters patent granted on the Patent to Assignee as owner of the entire right, title, and interest in and to the same.
