ANNEX D – DEED OF TRANSFER

Form of Deed of Transfer of Patents

THE UNDERSIGNED:

(1) **NXP B.V.**, a private limited liability company incorporated under the laws of the Netherlands, with corporate seat in Eindhoven, the Netherlands, and address at High Tech Campus 60, 5656AG Eindhoven, ("**NXP**");

and

(2) **Silergy Corp**, a private limited company incorporated under the laws of Cayman Islands, with corporate seat in Cayman Islands, and its registered address at Oleander Way, 802 West Bay Road, P.O. Box 32052, Grand Cayman KY1-1208, Cayman Islands, ("**Assignee**");

together also to be referred to as "**Parties**" and each party individually as a "**Party**", as the case may be,

WHEREAS:

(A) NXP and Assignee have entered into that certain Business Purchase Agreement dated January 15, 2016 (the "**BPA**"); and

(B) Pursuant to the BPA, and on certain terms and conditions as specified in an Intellectual Property Transfer and License agreement entered into by the Parties (the "**IPTLA**"), NXP has, on behalf of itself and its Affiliates, sold the Transferred Patents to the Assignee and has agreed to assign to Assignee the Patents listed in Schedule A hereto (the "**Transferred Patents**"); and

(C) By this Deed of Transfer ("**Deed**"), Assignee wishes to acquire and NXP wishes to assign all of NXP's right, title and interest in and to the Transferred Patents.

HAVE AGREED AS FOLLOWS:

1. Definitions

Any capitalized term used in this Deed but not defined shall have the same meaning as ascribed thereto in the IPTLA.

2. Transfer of ownership of Transferred Patents

By this Deed, NXP hereby assigns, transfers, conveys and delivers to Assignee all of NXP's right, title and interest in and to the Transferred Patents. NXP authorizes and requests the patent register (including any applicable foreign or international office or register) to record Assignee as owner of the Transferred Patents, as assignee of all of NXP's right, title and interest in and to the same, for the sole use and enjoyment of Assignee, its successors, assigns or other legal representatives.

3. Variation to Deed

No variation, extension, cancellation or translation of any expressed terms of this Deed (including in Schedule A) shall be binding upon NXP or Assignee unless made in writing and signed by duly authorized representatives of NXP and Assignee.

4. Additional assignment documents; further assurance

Assignee will be responsible for effectuating the recordation of the assignment and transfer of the Transferred Patents listed in Schedule A. NXP and Assignee shall, at each other's request, and without further consideration, execute and do all such deeds, documents, acts and things as the requesting party may from time to time reasonably require in order to effectuate or to formalize the transfer of the Transferred Patents to Assignee on a jurisdiction by jurisdiction basis and to cause the Transferred Patents to be recorded at the relevant patent registers around the world in the name of Assignee.

5. Observance legal requirements

Assignee and NXP undertake to observe and act in accordance with all applicable legal conditions and terms required in order to effectuate the recordation of the assignment and transfer of the Transferred Patents in the relevant registers.

6. Costs for recordation

The costs for the recordation of the assignment and transfer of the Transferred Patents in the relevant registers shall be borne by Assignee.

7. Applicable law and jurisdiction

This Deed shall be governed by and construed in accordance with the laws of the Netherlands. Any action or proceeding in respect of any claim arising out of or related to this Deed shall be solely conducted by NXP and Assignee in accordance with the dispute settlement procedure provided in the BPA.

8. No rescission and no nullification

Each Party waives its right to rescind (ontbinden) this Deed on the basis of section 6:265 of the Netherlands Civil Code.

IN EVIDENCE WHEREOF, the Parties have caused this Deed to be signed by their duly authorized representatives effective as of April 5, 2016.
