Intellectual Property Security Agreement

This INTELLECTUAL PROPERTY SECURITY AGREEMENT, dated as of March 24, 2016 (as amended, supplemented or otherwise modified from time to time, the "Intellectual Property Security Agreement"), is made by the signatory hereto (the "Grantor") in favor of Glas Trust Corporation Limited, as security agent (in such capacity, the "Security Agent") for the Secured Parties (as defined in the Security Agreement referred to below). Unless the context otherwise requires, all capitalized terms used but not defined herein have the meanings set forth in the Security Agreement.

WHEREAS reference is made to (i) the Amended and Restated Senior Term and Revolving Facilities Agreement and Second Lien Facility Agreement, dated as of March 24, 2016 (as amended, restated, supplemented or otherwise modified from time to time, the "Senior Facilities Agreement"), by and among OPUS HOLDCO S.À R.L. (the "Parent"), H.C. STARCK GMBH (the "Company"), H.C. STARCK and certain other subsidiaries party thereto as guarantors, the several banks and other financial institutions or entities from time to time (the "Senior Lenders"), GLOBAL LOAN AGENCY SERVICES LIMITED, as agent, GLAS TRUST CORPORATION LIMITED, as security agent (in such capacity, the "Security Agent"), and the other agents named therein and (ii) each Hedging Agreement (as defined in the Senior Facilities Agreement);

WHEREAS as required by the Senior Facilities Agreement, certain subsidiaries of Obligors as grantors are parties to that certain Amended and Restated Security Agreement, dated as of March 24, 2016, in favor of the Security Agent (as amended, supplemented, replaced or otherwise modified from time to time, the "Security Agreement");

WHEREAS, under the terms of the Security Agreement, the Grantor has granted a security interest in certain property, including, without limitation, certain Intellectual Property of the Grantor to the Security Agent and have agreed pursuant to Sections 3.01 and 3.06 thereof to execute this Intellectual Property Security Agreement for recording with the United States Patent and Trademark Office and other applicable Governmental Authorities.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor agrees as follows:

SECTION 1. Grant of Security. The Grantor hereby grants to the Security Agent for the benefit of the Second Lien Secured Parties a security interest in and to all right, title and interest in and to the following (the "Intellectual Property Collateral"), as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Second Lien Secured Obligations:

(a) (i) all letters patent of the United States or the equivalent thereof in any other country, all registrations and recordings thereof, and all applications for letters patent of the United States or the equivalent thereof in any other country, including registrations, recordings and pending applications in the United States Patent and Trademark Office or any similar offices in any other country, including those listed on Schedule 1, and (ii) all reissues,

continuations, divisions, continuations-in-part, renewals or extensions thereof, and the inventions disclosed or claimed therein, including the right to make, use and/or sell the inventions disclosed or claimed therein (collectively, the "Patents");

(b) any and all proceeds of the foregoing; provided any General Intangible, Investment Property or other such rights of a Grantor arising under any contract, lease, instrument, license or other document if (but only to the extent that) the grant of a security interest therein would (x) constitute a violation of a valid and enforceable restriction in respect of such General Intangible, Investment Property or other such rights in favor of a third party or under any Law, regulation, permit, order or decree of any Governmental Authority, unless and until all required consents shall have been obtained (for the avoidance of doubt, the restrictions described herein are not negative pledges or similar undertakings in favor of a lender or other financial counterparty) or (y) expressly give any other party in respect of any such contract, lease, instrument, license or other document, the right to terminate its obligations thereunder; provided, however, that the limitation set forth in clause above shall not affect, limit, restrict or impair the grant by a Grantor of a security interest pursuant to this Agreement in any such Collateral to the extent that an otherwise applicable prohibition or restriction on such grant is rendered ineffective by any applicable law, including the UCC.

SECTION 2. Recordation. The Grantor authorizes and requests that the Commissioner of Patents and Trademarks and any other applicable government officer record this Intellectual Property Security Agreement.

SECTION 3. Execution in Counterparts. This Agreement may be executed in any number of counterparts (including by telecopy or other electronic transmission), each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 4. Governing Law. This Intellectual Property Security Agreement shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

SECTION 5. Conflict Provision. This Intellectual Property Security Agreement has been entered into in conjunction with the provisions of the Security Agreement and the Senior Facilities Agreement. In the event that any provisions of this Intellectual Property Security Agreement are in conflict with the Security Agreement or the Senior Facilities Agreement, the provisions of the Security Agreement or the Senior Facilities Agreement shall govern.

IN WITNESS WHEREOF, each of the undersigned has caused this Intellectual Property Security Agreement to be duly executed and delivered as of the date first above written.
