Assignment

Whereas I, Erick B. Knezek, 202A Princeton Woods Loop, Lafayette, Louisiana 70508, hereinafter referred to as Inventor, have invented certain new and useful improvements in apparatus and method(s) related to System and Method for Offshore Loading of Cargo Vessels, for which United States regular patent application SN 14/372671 was filed on July 16, 2014, and

Whereas, Truston Technologies, Inc., 102 Rue de Pain, Broussard, LA 70518, herein referred to as Assignee, is desirous of acquiring all of Inventor's rights, title and interest in said invention, in the above-referenced United States regular patent application SN 14/372671, in any other patent application(s) thereon, and other rights as described herein;

Now, therefore, in consideration of the sum of one dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is acknowledged, I, Inventor, by these presents do sell, assign and transfer unto Assignee all of my rights to said invention(s), worldwide, and all of my rights, title and interest in the above-referenced United States patent application SN 14/372671, any and all other patent applications on said invention (provisional and regular, United States, international and foreign), and to any and all patents which may be granted on any of said applications in the United States and elsewhere. I hereby authorize and request the Commissioner of Patents and Trademarks to issue any of said United States Patents to Assignee, of my entire right, title and interest in and to the same, for Assignee's sole use and benefit; and for the use and benefit of its legal representatives, to the full end of the term for which any of said patents may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made. I further agree to take such further action and to execute such further documents, including but not limited to assignments, declarations, and/or powers of attorney, as are reasonably necessary to fully vest Assignee with the rights described herein and intended to be conveyed hereby.

Executed this 31<sup>st</sup> day of July 2014, at Lafayette, LA.
