ASSIGNMENT

THIS ASSIGNMENT, made by **ComDel Innovation, Inc.**, a North Dakota corporation having a principal place of business at 2100 15th Street, North Wahpeton, North Dakota, 58075;

WITNESSETH: That,

WHEREAS, the above-named corporation is the employer of one of the named inventors and, as such, may be a co-owner of rights and/or title to certain new and useful improvements in **DOCKING SYSTEMS FOR MEDICAL DEVICES AND RELATED DEVICES** for which U.S. Provisional Application No. 62/207,106 was filed on August 19, 2015 and U.S. Provisional Application No. 62/210,724 was filed on August 27, 2015, in the United States Patent and Trademark Office; and

WHEREAS, **Medovex Corp.**, a Nevada corporation having a principal place of business at 1735 Buford Hwy., Suite 215-113, Cumming, Georgia 30041, hereinafter referred to as Assignee, is desirous of acquiring the entire right, title and interest in and to said invention(s) as described in said provisional application(s), and in and to any and all Letters Patent which shall be granted therefor in the United States of America and all foreign countries;

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, **ComDel Innovation, Inc.** has sold and/or by these presents does hereby sell, assign, transfer, and convey unto the said Assignee, its successors and assigns, its entire right, title, and interest in and to the said invention(s) and provisional application(s), and in and to any and all subsequent patent applications which claim the benefit of priority from said provisional application(s) including regular utility, continuations, and continuations-in-part, or divisions thereof and PCT applications, and in and to any and all Letters Patent of the United States of America and all foreign countries or reissues or other forms of protection thereof which may be granted for the inventions in or on applications claiming the benefit of priority from said provisional application(s), for the full end of the term for which said Letters Patent may be granted along with any term extensions thereof or therefor, together with the right to claim the benefit of priority from said application(s) in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by **ComDel Innovation, Inc.** if this assignment and sale had not been made.

ComDel Innovation, Inc. further covenants and agrees to promptly communicate to said Assignee or its representatives any facts known relating to said invention(s), to testify in any interference or legal proceedings involving said invention, to execute any additional papers which may be requested to confirm the right of the Assignee, its representatives, successors, or assigns to secure patent or similar protection for the said invention in all countries and to vest in the Assignee complete title to the said invention and Letters Patent, without further compensation, but at the expense of said Assignee, its successors, assigns, and other legal representatives; and hereby instructs, and further covenant and agree to bind its legal representatives and successors, and assigns, to do same, without further compensation, but at the expense of said Assignee or its representatives.

IN WITNESS WHEREOF, Assignor, by signature below, has caused this assignment to be executed. The undersigned warrants and represents that he/she has the authority to sign this assignment on behalf of Assignor, ComDel Innovation, Inc.
