ASSIGNMENT to Nexkemia, Inc.

IN CONSIDERATION OF payments made, employment, and for other good and valuable consideration, the receipt of which is hereby acknowledged, Jean-Pierre Gibeault (hereinafter collectively referred to as "Assignor"), does hereby assign, sell, grant, and convey to Nexkemia Petrochimie, Inc. 24 Bellevue, Mansonville, QC J0E 1X0, Canada (hereinafter, the "Assignee"), and to its successors and assigns, Assignors' entire right, title and interest throughout the world in and to:

1. The inventions described and claimed in US Patent Application Serial No. 14/253128, filed 4/15/2014 entitled: "Shaping of Expanded Polystyrene Made Using D-Limonene as a Plasticizer" and in US Patent Application Serial No. 14/102,731, filed 12/11/2013, entitled "Expanded Polystyrene Made Using D-Limonene as a Plasticizer";
2. The U.S., international and all other counterpart patent applications relating to said Inventions, including the Patent Application listed above;
3. All applications for patent or like protection grants on said Inventions that have now been or may in the future be made, whether in the United States of America or in any other country or jurisdiction; and all patents issuing from such applications for patent or like protection grants;
4. All continuations, divisions, continuations-in-part and other patent applications claiming priority to the U.S. Patent Application noted in paragraph 1, or to any other patent applications listed in paragraphs 2 or 3, or any substitutions, renewals, reissues, extensions, and the like of said applications and patents and like protection grants, including without limitation, those obtained or permissible under past, present and future law statutes;
5. All rights of action on account of past, present and future unauthorized use of said Inventions and for infringement of said patents and like protection grants;
6. The right to Assignee to file, as appropriate, in its name or in Assignors' name, applications for patents and like protection grants for said Inventions in any country or jurisdiction; and
7. Assignor covenant that Assignor, and his heirs, legal representatives, assigns, administrators, and executors will, at the expense of Assignee, its successors and assigns, execute all papers and perform such other acts as may be reasonably necessary to give Assignee, its successors and assigns, the full benefit of this Assignment, including assisting in filing, prosecuting, enforcing or defending the above-identified patents and patent applications, including the right to bring an enforcement action or other proceeding in the name of Assignor or join Assignor as a party in any such action.
