**ASSIGNMENT**

**WHEREAS**, I, Vernon J. Lowe, of Greenback, Tennessee (hereinafter "Assignor"), have invented certain new and useful improvements in FIRE RESISTANT MATTRESSES, FIRE RESISTANT MATTRESS COVER MATERIALS AND RELATED METHODS, for which U.S. Provisional Patent Application Serial No. 62/113,795 was previously filed on February 9, 2015, U.S. Provisional Patent Application Serial No. 62/181,036 was previously filed on June 17, 2015, and European Patent Application No. EP 15172614.8 was previously filed on June 18, 2015, and for which an application for Letters Patent of the United States, U.S. Patent Application Serial No. 15/019,330, has been filed in the United States Patent and Trademark Office on February 9, 2016, which claims priority to U.S. Provisional Patent Application Serial No. 62/113,795 and U.S. Provisional Patent Application Serial No. 62/181,036; and

**AND WHEREAS**, Trafalgar Associates, LLC (hereinafter "Assignee"), a corporation organized under the laws of the State of Tennessee and having a principal place of business at 115 Horne Drive, Vonore, Tennessee 37885 is desirous of acquiring any and all interests and rights in the said Inventions and patent applications listed above including and in addition to such interests and rights transferred to the Assignee in the assignment executed on June 16, 2015.

**NOW, THEREFORE**, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor has sold and by these presents do hereby sell, assign, transfer and convey unto the Assignee, its successors and assigns, their entire right, title and interest in and to the said Inventions, the applications and patents referenced above, and in and to any and all United States patent applications filed pursuant to 35 U.S.C. § 111 (a) pertaining to said Inventions filed hereinafter and/or which claim priority to the United States patent applications referenced above, and in and to any and all foreign patent applications filed on the said Inventions and in and to any and all continuations, continuations-in-part, or divisions thereof, and in and to any and all Letters Patent of the United States of America,

including the patents referenced above, and all foreign countries or reissues thereof which may be granted therefor or thereon, for the full end of the term for which said Letters Patent may be granted, together with their right to claim the priority of the applications and patents referenced above in all countries in accordance with the Paris Convention, the Patent Cooperation Treaty, or other agreement or national law under which priority can be claimed, the same to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignors if this Assignment and sale had not been made, including the right to recover for damages and profits for past infringements thereof. The assignment of the right to claim entitlement and/or priority is executed *nunc pro tunc* and is considered effective as of the filing date of the earliest application to which priority and/or entitlement is claimed.

Assignor does hereby authorize Assignee or its designee to fill in the above U.S. Patent Application Serial No. for the said inventions being filed on February 9, 2016 upon receipt of the number from the United States Patent and Trademark Office.

Assignor hereby requests that said Letters Patent be issued in accordance with this Assignment.

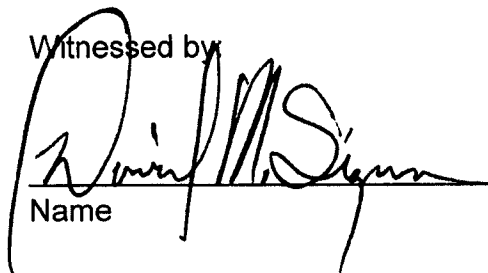

Assignor further covenant and agree that, at the time of the execution and delivery of these presents, Assignor possesses the unencumbered right and authority to make this Assignment.

Assignor further covenants and agrees, and likewise bind their heirs, legal representatives and assigns, to promptly communicate to said Assignee or its representatives any facts known to them relating to the said Inventions and/or the applications and patents referenced above, to testify in any interference or legal proceedings involving the said Inventions and/or the applications and patents referenced above, to execute any additional papers which may be requested to confirm the right of the Assignee, its representatives, successors and assigns to secure patent or similar protection for the said Inventions and/or the applications and patents referenced above in all countries and to vest in the Assignee complete title to the said Inventions and/or the applications and patents referenced above without further compensation, but at the expense of said Assignee, its successors, assigns and other legal representatives.

Executed this 31<sup>st</sup> day of MARCH 2016.
