PATENT RELEASE AND REASSIGNMENT

THIS PATENT RELEASE AND REASSIGNMENT (this "Release") is made as of April 29, 2016, by Deutsche Bank AG New York Branch, as administrative agent ("Secured Party"). Capitalized terms used but not defined herein shall have the same meanings assigned to such terms in the Security Agreement (as defined below).

WITNESSETH:

WHEREAS, each of the Grantors party thereto and Secured Party are parties to that certain Patent Security Agreement, dated as of December 5, 2014 (the "Security Agreement") pursuant to which each Grantor granted a security interest to Secured Party in certain Patent Collateral (as defined therein) as security for certain obligations owing by Grantor to Secured Party;

WHEREAS, the Security Agreement was recorded by the United States Patent and Trademark Office on December 10, 2014, at Reel 034587, Frame 0607;

WHEREAS, each Grantor has requested that Secured Party, and the Secured Party now desires to, terminate and release its Lien on and security interest in the Patents and Patent Collateral and reassign any and all rights in the same to such Grantor.

NOW THEREFORE, for good and valuable consideration, receipt and sufficiency of which are hereby acknowledged:

1. Secured Party hereby automatically and unconditionally releases and terminates its Lien on and security interest in all of each Grantor's right, title and interest in and to the Patent Collateral, including the following:

(a) all of its Patents and all IP Licenses providing for the grant by or to such Grantor of any right under any Patent, including, without limitation, those referred to on Schedule I hereto;

(b) all reissues, reexaminations, continuations, continuations-in-part, divisionals, renewals and extensions of the foregoing; and

(c) all income, royalties, proceeds and Liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

2. Secured Party hereby terminates the Security Agreement and fully and finally terminates, discharges, releases, cancels, reassigns, grants and conveys to each Grantor, without any representation, recourse or undertaking by Secured Party, any and all of Secured Party's right, title and interest in and to the Patents and the Patent Collateral.

4. The Secured Party hereby authorizes the recordation of this Release with the United States Patent and Trademark Office and any other applicable registry.

[Signature Page Follows]

IN WITNESS WHEREOF, Secured Party has caused this Patent Release and Reassignment to be executed as of the day and year first above written.
