ASSIGNMENT

This Assignment made by ROGER M. SNOW of Las Vegas, NV to BALLY GAMING, INC., a Nevada Corporation, Assignee, having a place of business at 6601 South Bermuda Road, Las Vegas, NV 89119-7990;

WHEREAS, Assignor has invented a new and useful invention described below for which an application for United States Letters Patent has been filed; and WHEREAS, Assignors believe himself/herself/themselves to be the original first inventor(s) of the invention disclosed and claimed;

Application(s)

Title at filing: Methods for Playing Wagering Games

Filing date: September 23, 2013

US Ser. No: 14/034,304

and

WHEREAS, Assignee desires to acquire by formal, recordable assignment the entire right, title and interest in and to said invention, said application(s), and any Letters Patent that may be granted for said invention(s) in the United States and throughout the world;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents hereby sell, assign, transfer and set over to Assignee all of Assignor's right, title and interest in, to and under said invention(s) and said Application(s), including (a) the right to apply for patents in the United States of America and in all foreign countries for said invention(s), (b) all Applications for patents for said invention(s) or based on said Application(s) in all countries, now filed or to be filed, including all non-provisional, divisional, renewal, substitute, continuation, continuation-in-part and convention Application based in whole or in part upon said invention(s) or upon said Application(s), (c) all patents which may issue on said invention(s) and on any application(s) transferred by this Assignment in the United States and foreign countries, and any and all reissues, extensions, divisions, renewals, substitutes, continuations or continuations-in-part of patents granted for said invention(s) or upon such Application(s), for the full term or terms for which the patents may be issued, and (d) every and all priority right that is or may be predicated upon or arise from said invention(s), said Application(s) and such patents under any applicable international or bilateral treaty, agreement or convention. Assignor hereby authorizes Assignee to file patent Application(s) in all countries for any or all of said invention(s) in Assignor's name, or in Assignee's name, or otherwise as Assignee may deem advisable, under any international or bilateral treaty, agreement or convention, or otherwise.

Further, Assignor agrees that, upon request and without further compensation, but at no expense to Assignors, he and his legal representative(s) and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing or enforcing Letters Patent in the United States and throughout the world for said invention(s), and for perfecting, recording or maintaining the title(s) of Assignee, its successors and assigns, to said invention(s), said application(s), and any Letters Patent granted for said invention(s) in the United States and throughout the world.

Assignor represents and warrants that he has not granted and will not grant to others any rights inconsistent with the rights granted herein.

IN WITNESS WHEREOF, Assignors have executed this Assignment on the dates written herein below.
