PATENT APPLICATION ASSIGNMENT

WHEREAS, I/WE, Evan G. Mackay, residing at 1512 S. Owasso Ave., Tulsa, OK 74120, have invented new and useful improvements for which we have executed a United States Patent Application entitled "Systems and Methods for Controlling Downhole Linear Motors", further identified as Attorney Docket BAKR06201;

WHEREAS, Baker Hughes Incorporated, a corporation of the State of Delaware, having a correspondence address of P.O. Box 4740, Houston, Texas 77210-4740 USA, is desirous of acquiring our entire right, title and interest in said application and our Letters Patent which may issue thereon.

NOW, THEREFORE, it be known by all whom it may concern that for and in consideration of One Dollar (\$1.00), the receipt of which is hereby acknowledged, and other good and valuable consideration, We hereby assign to said corporation, both in and for the territory of the United States of America and the entire world, all our title and interest in and to said invention, patent application and any patent which may issue thereon, including all divisions, continuations, reissues, continuations-in-part and substitutions thereof, plus all priority rights for patent applications foreign to the United States of America. We further hereby assign and transfer to said corporation whatever cause of action We may have for past or present infringement of said invention, together with the right to bring suit for any such infringement and to seek and receive damages and other relief arising from any such infringement.

WE HEREBY covenant and agree that We will at any time, upon the request of said corporation, execute and deliver any and all papers and do all lawful acts that may be necessary or desirable to perfect the title to said invention, applications and patents, and We authorize the Commissioner of Patents and Trademarks to issue Letters patent to said corporation.
