ASSIGNMENT

WHEREAS, **timo platt**, a citizen of the United States of America, residing at 206 Atlantic Avenue, #3, North Hampton, New Hampshire 03862; **Stephan Krueger**, a citizen of the United States of America, residing at 11 Jana Road, Salem, New Hampshire 03079; and **Barbara Roselle**, a citizen of the United States of America, residing at 29 Stoneybrook Circle, Andover, Massachusetts 01810 (collectively, the Assignor"), are inventors of certain new and useful inventions and discoveries, for which Assignor (i) is making an application for Letters Patent entitled, "Method and system for searching, sensing, discovering, screening, sharing, sending, receiving, buying, selling, and otherwise transmitting stories, content, interests, data, goods and services among known and unknown devices in a communication network", which is to be filed in the United States Patent and Trademark Office ("USPTO"), and (ii) has filed with the USPTO on or about May 17, 2012 that certain U.S. Provisional Patent Application No. 61/648,212 (the "Provisional Application"), entitled, "Communication Methods between, among and to both Known and Unknown Devices for Searching, Sending and Receiving Voice, Video and Data and Creating Sixth-Sense Technologies and Discovery Engine for Sensing, Becoming Aware of, Sharing and Learning Stories, other Content, Interests and data of all kinds", to which said application for Letters Patent claims priority and benefit; and

WHEREAS, **PoKos Communications Corp**, a New Hampshire corporation, whose business address is 53A Green Street, Portsmouth, NH 03801, and which together with its successors and assigns is hereinafter called "Assignee", is desirous of acquiring the title, rights, benefits and privileges hereinafter recited.

NOW, THEREFORE, for and in consideration of good and valuable consideration furnished by Assignee to Assignor, receipt and sufficiency of which is hereby acknowledged, Assignor hereby, without reservations, agree to:

1. Assign, transfer, and convey to Assignee the Assignor's entire right, title and interest in and to said inventions and discoveries, said application for Letters Patent and Provisional Application, any and all other applications for Letters Patent on said inventions and discoveries in whatsoever countries, including all divisional, renewal, substitute, continuation, continuation-in-part, and convention applications based in whole, or part, upon said inventions and discoveries, or upon said applications, and any and all Letters Patents, reissues, and extensions of Letters Patent granted for said inventions and discoveries or upon said applications, and every priority right that is or may be predicated upon, or arise from, said inventions, said discoveries, said applications, and said Letters Patent;
2. Authorize Assignee to file patent applications in any and all countries on any or all of said inventions and discoveries in my name or in the name of Assignee or otherwise as Assignee may deem advisable, under International Conventions or otherwise;
3. Authorize and request the Commissioner of Patents and Trademarks of the United States of America and the empowered officials of all other governments throughout the world to issue or transfer all said Letters Patents to Assignee or otherwise as Assignee may direct;
4. Warrant that the Assignor has not knowingly conveyed to others any right in said inventions, discoveries, applications or patents, or any license to use the same, or to make, use, or sell anything embodying or utilizing any of said inventions or discoveries; and that Assignor has good right to assign the same to Assignee without encumbrance;
5. Bind Assignor and Assignor's heirs and legal representatives, without further consideration, to cooperate with Assignee in the prosecution of said application for Letters Patent and any and all other applications for Letters Patent on said inventions and discoveries, execute, verify, acknowledge and deliver all such further papers, including any and all other applications for Letters Patent on said inventions and discoveries, and instruments of assignment and transfer thereof, and will communicate any facts known to Assignor relating to the inventions and discoveries, to obtain or maintain or enforce said Letters Patent for the inventions and discoveries and improvements therein in any and all countries and to vest title thereto in Assignee. Assignor further agrees that Assignor will, without further compensation

to Assignor during the term of such Assignor's directorship or ownership of stock, options or other equity interests in Assignee, whichever is longer, and thereafter for reasonable compensation as determined by Assignee, perform such acts as may be reasonably required when requested by Assignee, including attending depositions, preparing and executing declarations and affidavits and testifying as a witness, to obtain or enforce said Letters Patent for the inventions and discoveries and improvements therein in any and all countries and to vest title therein to Assignee.
