**PATENT ASSIGNMENT**

WHEREAS, I, Fabio Viviani, an individual having a principal address at 1 Brookhaven Circle, South Barrington, Illinois 60010 (hereafter referred to as "Assignor") have invented certain new and useful improvements in SYSTEMS AND METHODS FOR VIRTUAL INTERACTION for which U.S. Patent Application No. 14/466,520 ("the '520 Application") was filed on August 22, 2014;

WHEREAS, Assignor executed a document titled "Assignment of Utility Application" on August 21, 2014 ("August 21 Document"), that assigns any and all right, title, and interest in and to the '520 Application to FVMC Software, LLC (hereafter referred to as "Assignee");

WHEREAS, in the August 21 Document, Assignee was named as a corporation of California having a mailing address at 4714 Elderberry Avenue; Moorpark, California 93021; however, Assignee was not a registered business entity on August 21, 2014, and thus, Assignor retained all right, title, and interest in and to the '520 Application;

WHEREAS, Assignee has a principal place of business at 1 Brookhaven Circle, South Barrington, Illinois 60010 and is desirous of acquiring the entire right, title, and interest in and to the '520 Application from the Assignor;

NOW, THEREFORE, in consideration of the sum of one dollar (\$1.00), the receipt whereof is acknowledged, and other good and valuable consideration, Assignor hereby sells, assigns and sets over to Assignee the entire right, title and interest for the United States of America and all other countries in and to said invention and the '520 Application and all original, divisional, continuation, continuation-in-part, substitute or reissue applications and patents applied for or granted therefor in the United States of America and all other countries, for said invention, including without limitation all applications and patents for said invention claiming priority or benefit of the '520 Application pursuant to any law or treaty, and including the right to claim such priority or benefit and the Commissioner of Patents and Trademarks is hereby authorized and requested to issue all patents on said improvements or resulting therefrom to Assignee herein, as assignee of the entire interest therein; and the undersigned for me and my legal representatives, heirs and assigns do hereby agree and covenant without further

remuneration, to execute and deliver all original, divisional, continuation, reissue and other applications for Letters Patent on said improvements and all assignments thereof to Assignee or its assigns, to communicate to Assignee or its representatives all facts known to the undersigned respecting said improvements, whenever requested, to testify in any interferences or other legal proceedings in which any of said applications or patents may become involved, to sign all lawful papers, make all rightful oaths, and to do generally everything necessary to aid Assignee, its successors, assigns and nominees to obtain patent protection for said improvements in all countries, the expenses incident to said applications to be borne and paid by Assignee or its assigns.
