ASSIGNMENT AGREEMENT

This Assignment Agreement (this "Agreement"), effective as of October 31, 2013, is made by Bodhi Technology Ventures LLC ("Assignor"), a Delaware limited liability company with its registered address at 1209 Orange Street Wilmington, DE 19801, in favor of Apple Inc. ("Assignee"), a California corporation, having a principal place of business at 1 Infinite Loop, Cupertino, California 95014.

W I T N E S S E T H:

WHEREAS, Assignor has developed certain technology and owns certain intellectual property rights therein and thereto.

WHEREAS, Assignor desires to transfer to Assignee, and Assignee desires to accept, the Patent Rights (as hereinafter defined).

NOW, THEREFORE, in consideration of the mutual covenants contained herein, and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby agrees as follows:

1. Assignment of Patent Rights. Assignor does hereby assign, grant, transfer, contribute and deliver to Assignee the full, exclusive and entire right, title, and interest in and to (a) the patent(s) and/or patent application(s) listed on Schedule A attached hereto, (b) any divisions, continuations, continuations-in-part, renewals and reissues thereof, (c) all inventions and improvements disclosed and described therein, (d) any corresponding (in whole or in part) future United States or non-United States patents and patent applications, (e) the right to claim any applicable priority rights arising from the scheduled patents or patent applications or otherwise required for said corresponding future United States or non-United States patents and patent applications under the terms of any applicable conventions, treaties, statutes, or regulations, and (f) all claims for damages and all remedies arising out of any violation of the rights assigned hereby that may have accrued prior to the date of assignment to Assignee, or may accrue hereafter including, but not limited to, the right to sue for, collect, and retain damages for past infringement of the said Patents and Applications before or after issuance (collectively, the "Patent Rights"). Assignor hereby requests the Commissioner for Patents to issue any and all patents included in the Patent Rights to Assignee, as the assignee, for its interest and for the sole use and benefit of Assignee and its assigns and legal representatives.

2. Further Assurances. Assignor agrees without any additional consideration therefor to sign all documents, execute all divisional, continuing, renewal, reissue and other applications, make all assignments and rightful oaths, and generally do everything possible to aid Assignee, its successors, assigns, and nominees, to obtain and enforce proper protection for all said Patent Rights in all applicable countries throughout the world.

3. Successors and Assigns. The terms and provisions of this Agreement and the respective rights and obligations of Assignor and Assignee hereunder shall be binding upon, and inure to the benefit of, their respective successors and assigns.

4. Recordings. An executed copy of this Agreement may be filed with the United States Patent and Trademark Office or in the patent office of any other country or region, as applicable, by Assignee or Assignor at any time.

5. Governing Law. This Agreement is governed by the laws of the State of California, without application of choice of laws principles thereof.

IN WITNESS WHEREOF, Assignor has caused this Agreement to be executed and delivered as of the execution date written below.
