Patent Application Assignment

Whereas, We, Devi Prasad Shetty, having permanent place of residence of Bangalore, India, and Samir Girish Mitra of Saratoga, California, United States, hereinafter called 'Assignors', have invented a "System and Method for Facilitating Delivery of Patient-Care" and filed certain patent applications as identified on the attached exhibit; and

Whereas, at the time the invention was conceived and developed and the patent applications filed, Devi Prasad Shetty was employed by, and continues to be employed by Narayana Hrudayalaya Limited ("NHL") and accordingly, any and all interest that Dr. Shetty has in the invention and patent applications is owned by NHL;

Whereas, Cura Technologies Inc., a Delaware corporation located at 19863 Douglass Lane, Saratoga, CA 95070 USA, (assignee), desires to acquire the entire right, title, and interest in the application and invention, and to any patents to be obtained therefor in any jurisdiction, including but not limited to the United States, Taiwan, and WIPO-member states;

Now therefore, in consideration of the equity issued by the assignee to Mr. Mitra and NHL's right to acquire equity in the assignee from Mr. Mitra.

We, the above named assignor(s), do hereby sell, assign and transfer to the above named assignee, its successors and assigns, the entire right, title and interest in the pending application and the invention disclosed therein for the United States of America, Taiwan, and at the World Intellectual Property Organization, including all national stage entries, divisions, and continuations thereof, and all Letters Patent of the United States and Taiwan that may be granted thereon, and all reissues thereof, and all countries foreign thereto, including rights of priority under the International Convention of Paris (1883) as amended, including the right to claim priority under 35 U.S.C. §119, as well as the Patent Cooperation Treaty, and We request the Director of the U.S. Patent and Trademark Office and Intellectual Property Office of Taiwan and any other states in which patent protection is pursued, to issue any Letters Patent granted upon the invention set forth in the application to the assignee, its successors and assigns; and We hereby agree that the assignee may apply for foreign Letters Patent on the invention and We will execute without further consideration all papers deemed necessary by the assignee in connection with the United States and foreign applications when called upon to do so by the assignee.

The Assignors acknowledge that the patent applications, covering the invention are pending and the Assignors are not liable for any loss, damage, liability and costs that the Assignee suffers or incurs as a result of this assignment.

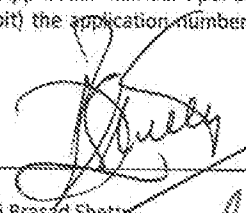

Nothing contained in this assignment shall be construed to give either party the power to direct and control the day-to-day activities of the other. Neither party is an agent, representative or partner of the other party. Neither party shall have any right, power or authority to enter into any agreement for, or on behalf of, or incur any obligation or liability of, or to otherwise bind, the other party. This assignment shall not be interpreted or construed to create an association, agency, joint venture or partnership between the parties or to impose any liability attributable to such relationship upon either party.

This assignment and the parties' actions hereunder shall be governed by and construed under the laws of California, without reference to conflict of law principles. The parties hereby expressly consent to the jurisdiction and venue of the Courts in California.

This assignment, including the annexures, constitutes the entire assignment agreement between both parties concerning this transaction, and replaces all previous communications, representations, understandings, and agreements, whether verbal or written between the parties to this assignment agreement or their representatives.

We hereby authorize and request our attorneys PROCOPIO, CORY, HARGREAVES & SAVITCH LLP of 525 B Street Suite 2200, San Diego, CA 92101 to (Application number : per attached exhibit, Confirmation number : per attached exhibit, filed : per attached exhibit) the application numbers, confirmation numbers and filing date of said applications when known.
